

Scene: 01 | Shot: Wide Shot, Static

Action: Establishment of the surreal gum stage. The Tooth Men stand completely devoid of energy, their stained suits highlighting the effects of smoking.

Audio: [Heavy, sluggish ambient sound]

Scene: 02 | Shot: Close-up, Slow Push-in

Action: The first tooth can no longer handle the strain and begins to collapse.

Dialogue (Tooth 1): "I quit."

Scene: 03 | Shot: Medium Shot, Static

Action: The weight of the first fallen tooth crashes into the second, breaking its balance.

Dialogue (Tooth 2): "I can't hold on either!"

Scene: 04 | Shot: Medium Shot, Slight Pan Right

Action: The momentum continues. The third tooth is forcefully knocked down against its will.

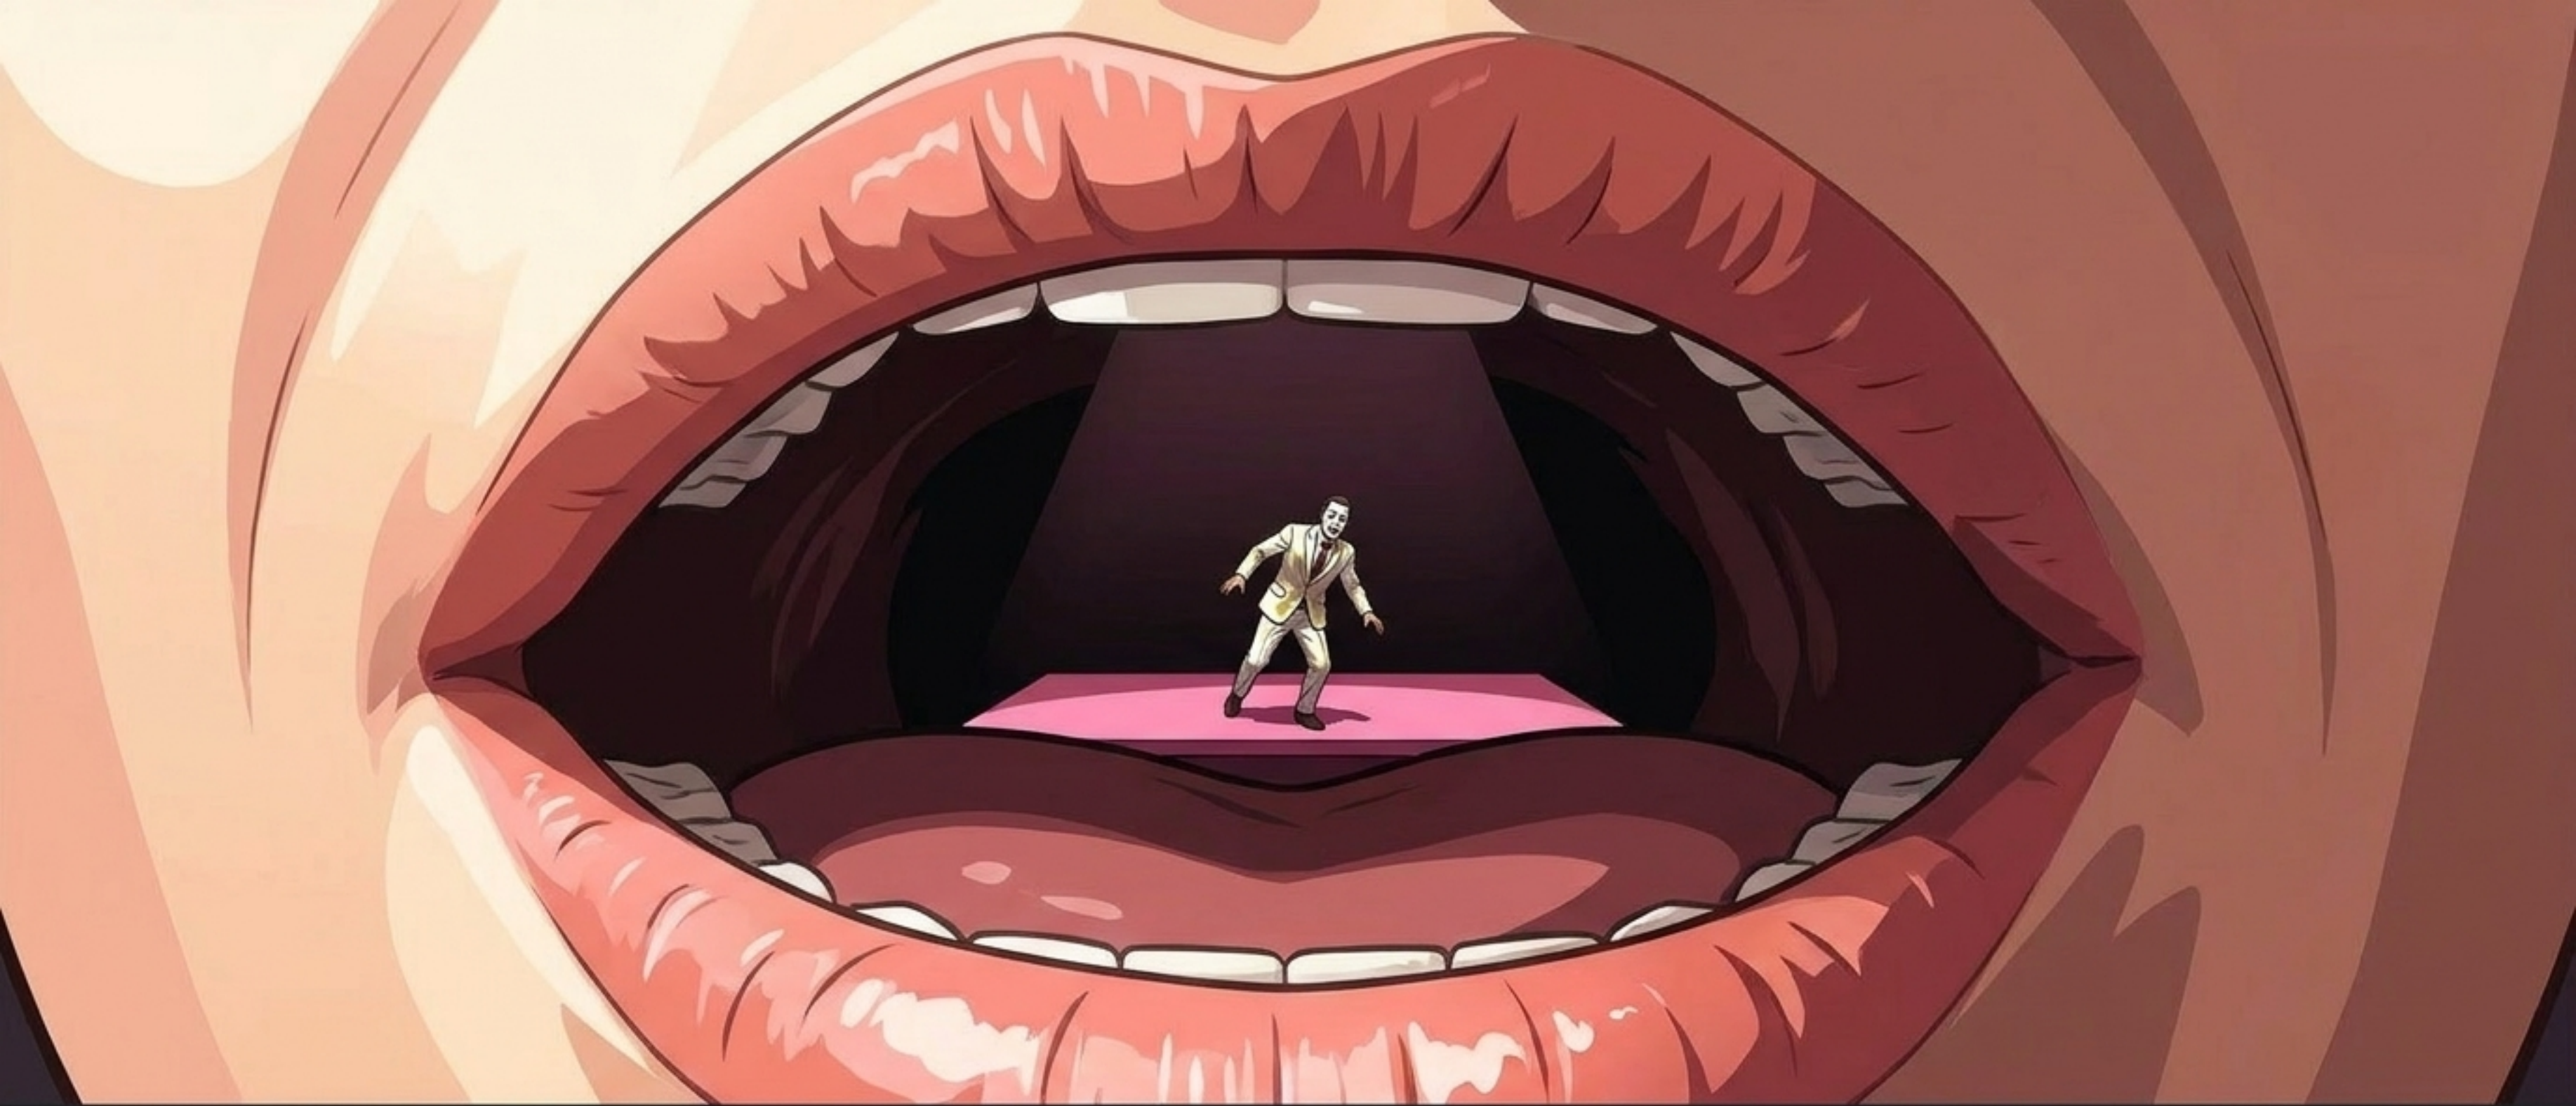

Dialogue (Tooth 3): "You forced me!"

Scene: 05 | Shot: Wide Shot, Handheld Shaky Cam

Action: Complete structural failure. The domino effect is in full motion, causing mass panic among the remaining teeth.

Audio: [Chaotic crashing and panicked ambient noise]

Scene: 06 | Shot: Wide Shot, Quick Zoom Out

Action: The camera pulls rapidly back through human lips, revealing the stage is actually inside a smoker's mouth.

Voiceover: "Keep smoking, and the next one to go is him."

Scene: 07 | Shot: Extreme Close-up, Static

Action: Back in reality. The young office worker is paralyzed by sudden, severe dental pain just as he attempts to smoke.

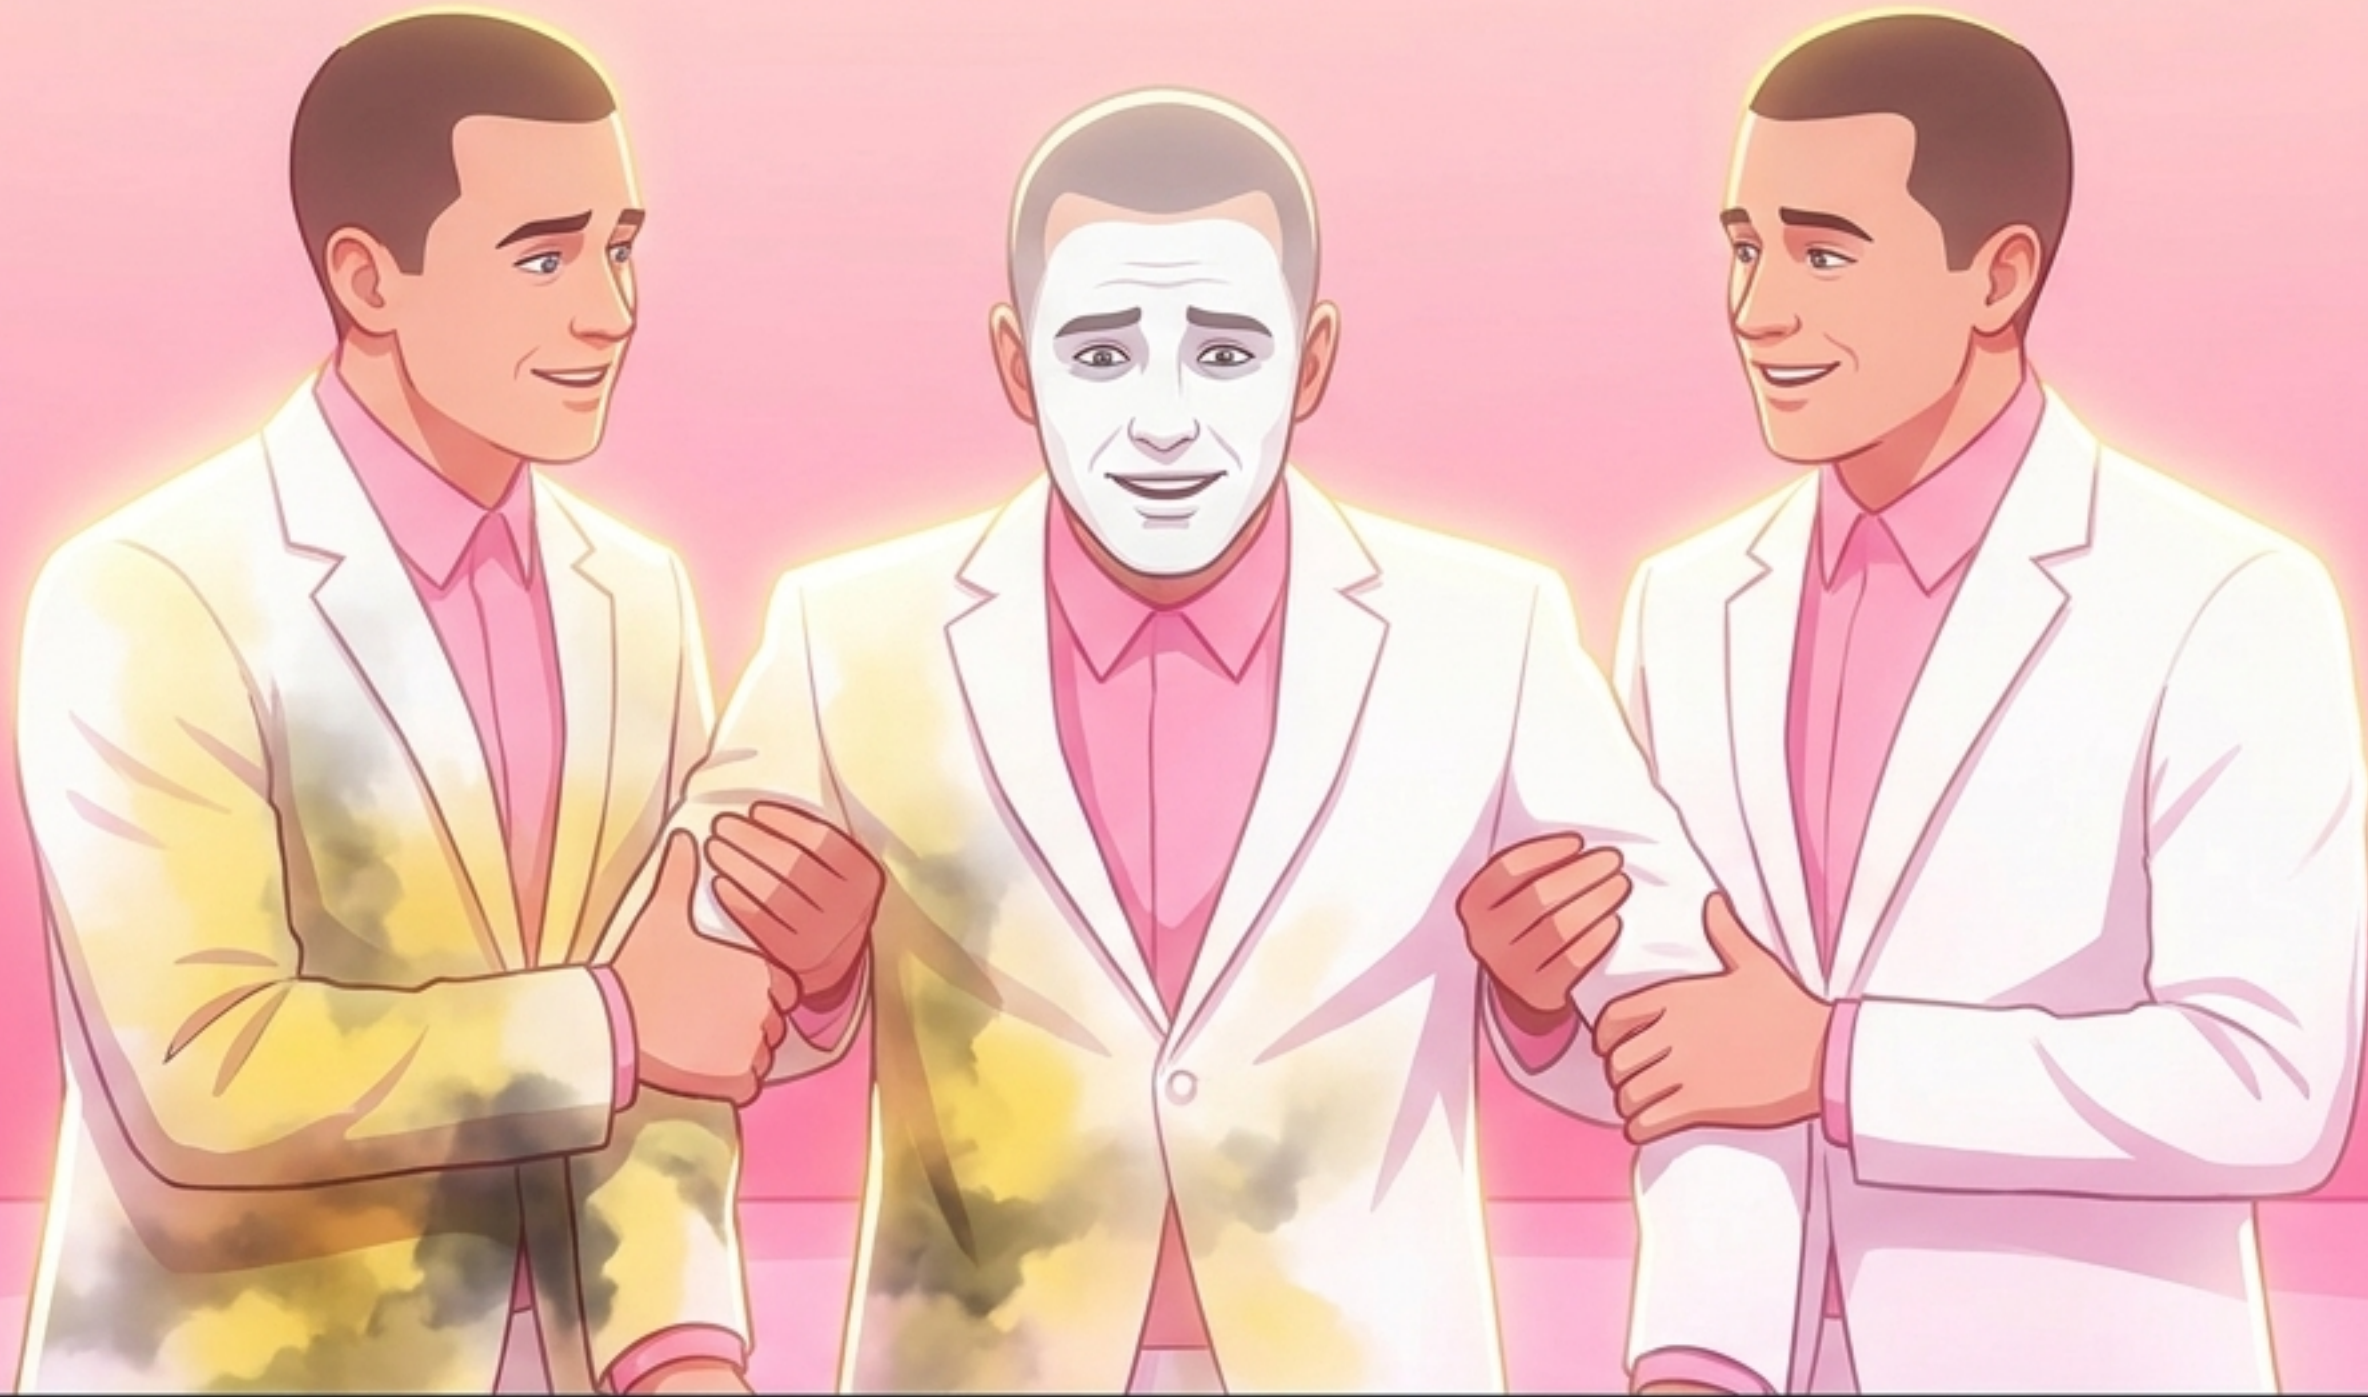

Voiceover: "Smoking causes periodontal disease and increases the risk of tooth loss."

Scene: 08 | Shot: Medium Shot, Push-in

Action: The young man makes a decisive choice, throwing his cigarettes away. The atmosphere instantly brightens.

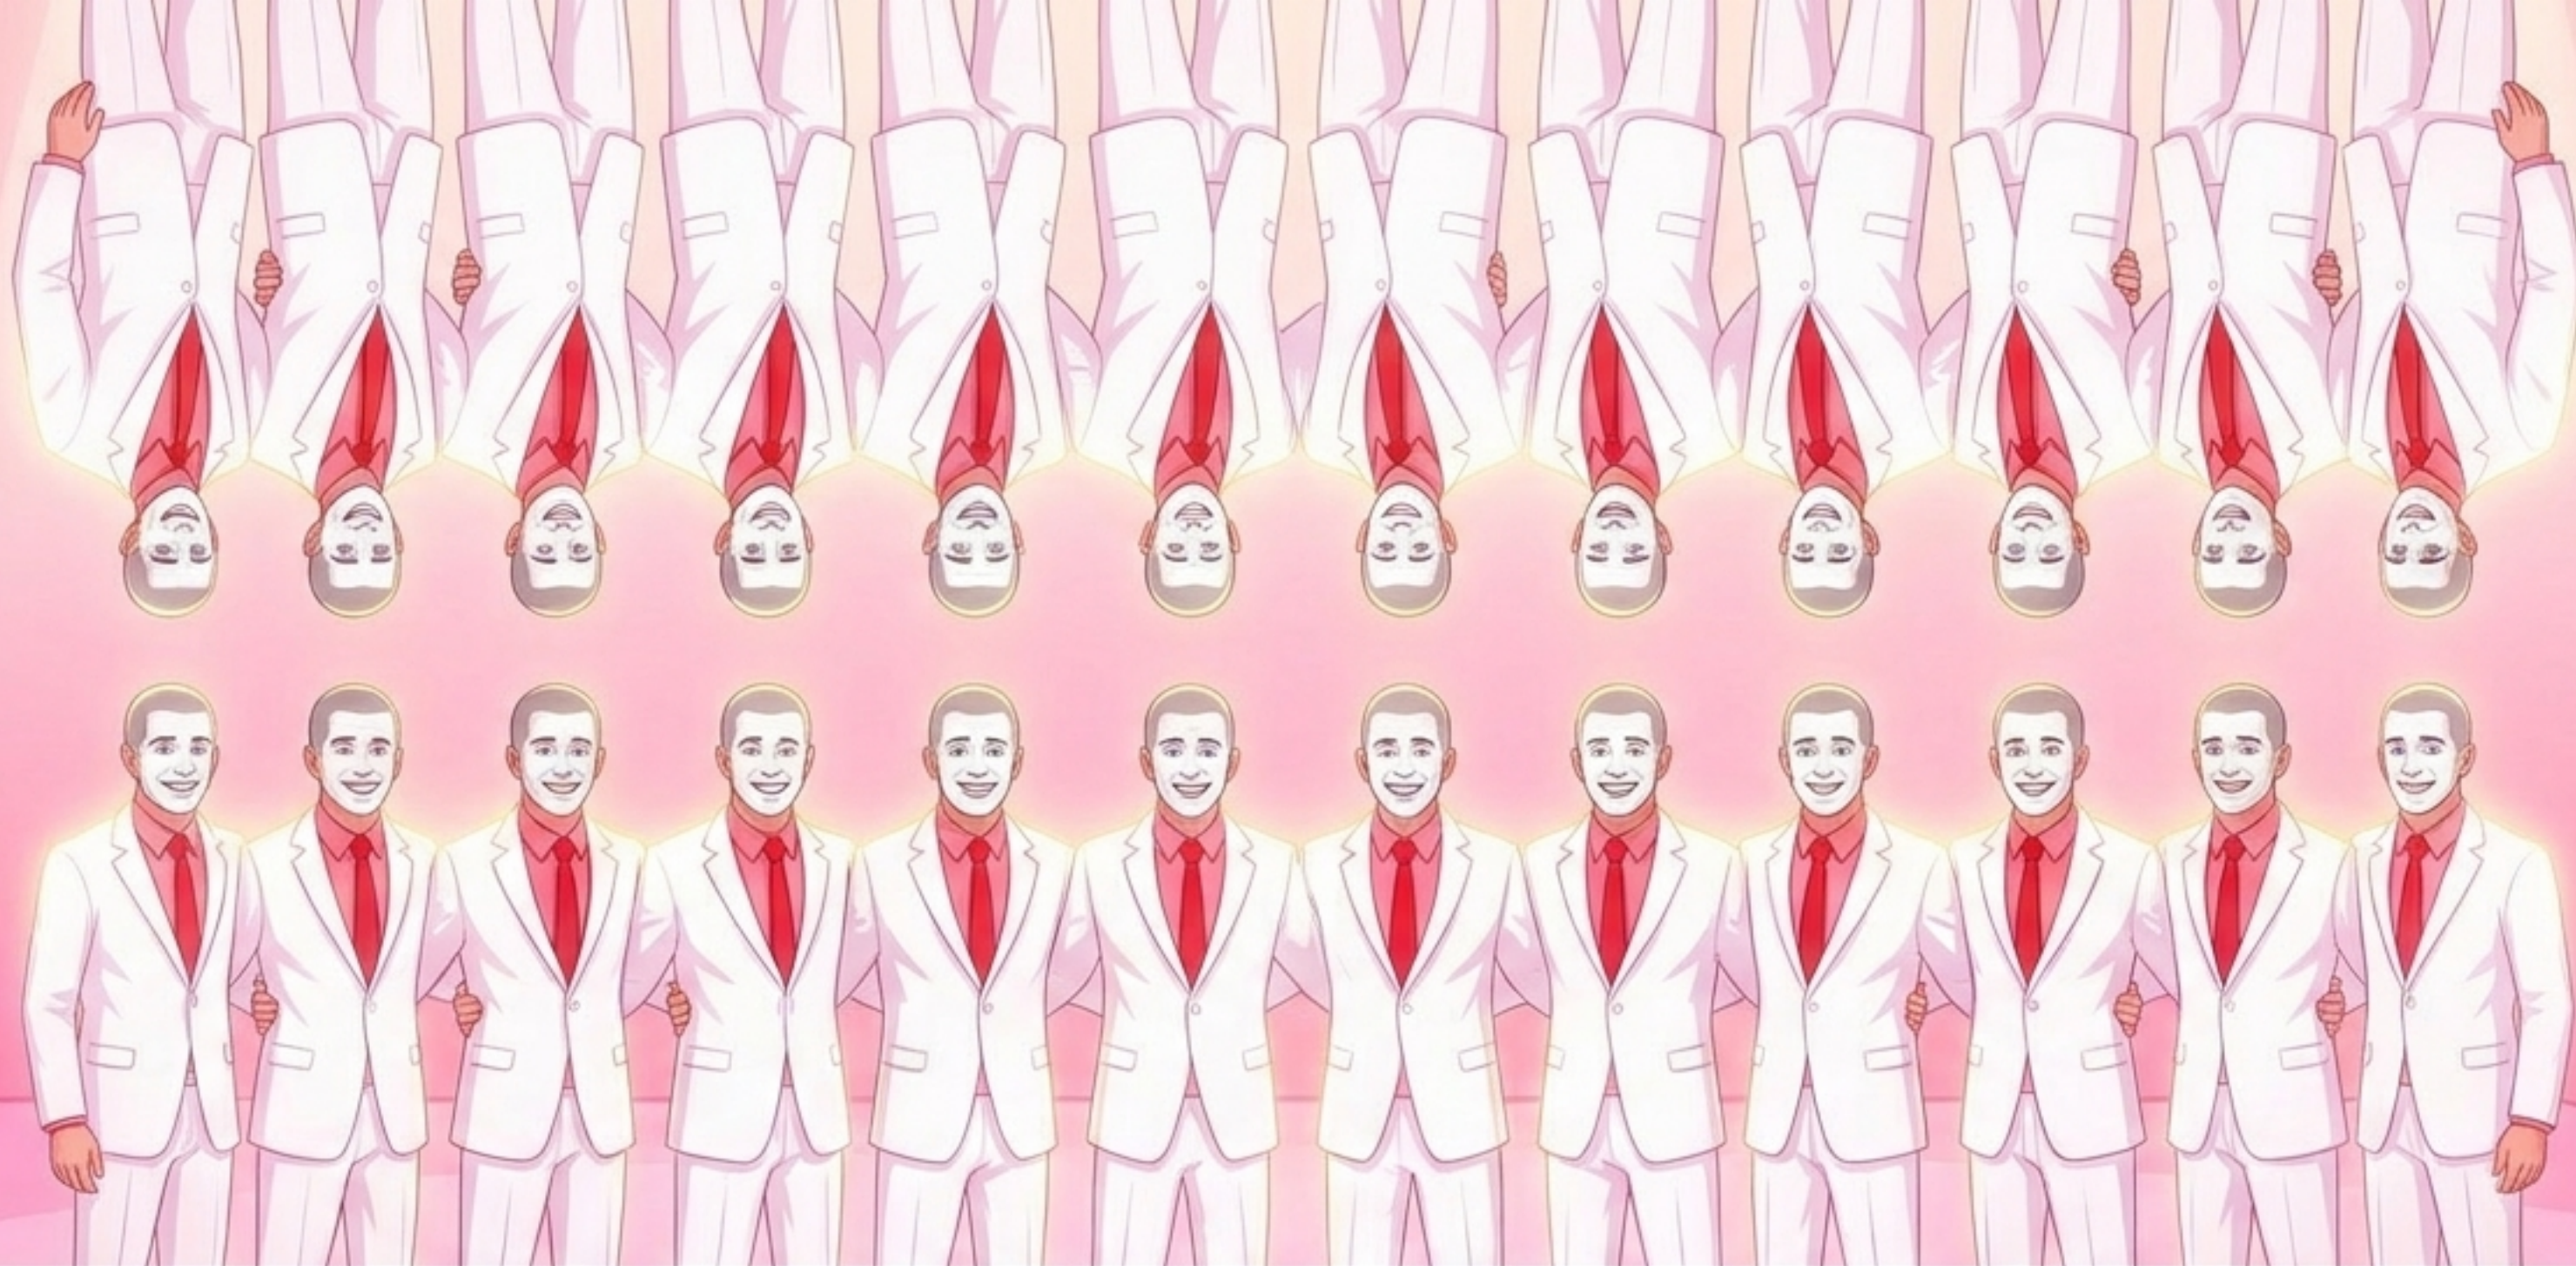

Voiceover: "It's not too late to quit now."

Scene: 09 | **Shot:** Medium Shot, Static

Action: The collapse is halted. The neighboring teeth support each other, and the toxic stains begin to fade.

Voiceover: "The longer you quit, the lower the risk of periodontal disease."

Scene: 10 | Shot: Wide Shot, Slow Pull-out

Action: A perfect, healthy bite is restored. The teeth are unified, pristine, and strong.

Voiceover: "Quit smoking now. Call the Quitline 1833 183."
