

Scene 1

Shot: Wide Shot, Static

Action: Over twenty identical “Tooth Suit Men” stand in a row along the bottom curve of the stage. They are completely exhausted, drooping, and lacking energy.

Atmosphere: Surreal but bright, transparent, and naturally soft-lit.

Audio / Voiceover: (Ambient environment sound)

Scene 2

Shot: Close-up, Slow Push-in.

Action: The first “Tooth Suit Man” looks pained and exhausted. He loosens his red tie and tilts 45 degrees to the right, ready to collapse.

Audio / Voiceover:

Tooth 1: “I quit.”

Scene 3

Shot: Medium Shot, Static.

Action: Tooth 1 has fallen, crashing heavily into Tooth 2. Tooth 2 is thrown off balance, swaying violently with a shocked, helpless expression.

Audio / Voiceover:

Tooth 2: "I can't hold on either!"

Scene 4

Shot: Medium Shot, Slight Pan right.

Action: Tooth 2 falls, crashing into Tooth 3. Tooth 3 is knocked half-down, his expression a mix of extreme pain and anger.

Audio / Voiceover:

Tooth 3: "You forced me to do this!"

Scene 5

Shot: Wide Shot, Handheld shaky cam.

Action: The first three Tooth Suit Men have completely collapsed. The rest of the men panic, breaking formation. The fourth man is wobbling precariously, terrified.

Audio / Voiceover: (Ambient chaotic sound)

Scene 6

Shot: Wide Shot, Quick Zoom Out.

Action: The camera rapidly pulls back through giant human lips, revealing the pink stage was inside a human mouth all along. The fourth Tooth Suit Man is still wobbling deep inside.

Audio / Voiceover: Narrator: "Keep smoking, and the next one to fall is him."

Scene 7

Shot: Extreme Close-up, Static

Action: Cut to reality on a Hong Kong street. A young office worker is about to pull a cigarette put suddlback. nops.test a hand vtro nintente pain—————a severe toothache.

Audio / Voiceover: Narrator: "Smoking causes gum disease, increasing the risk of tooth loss."

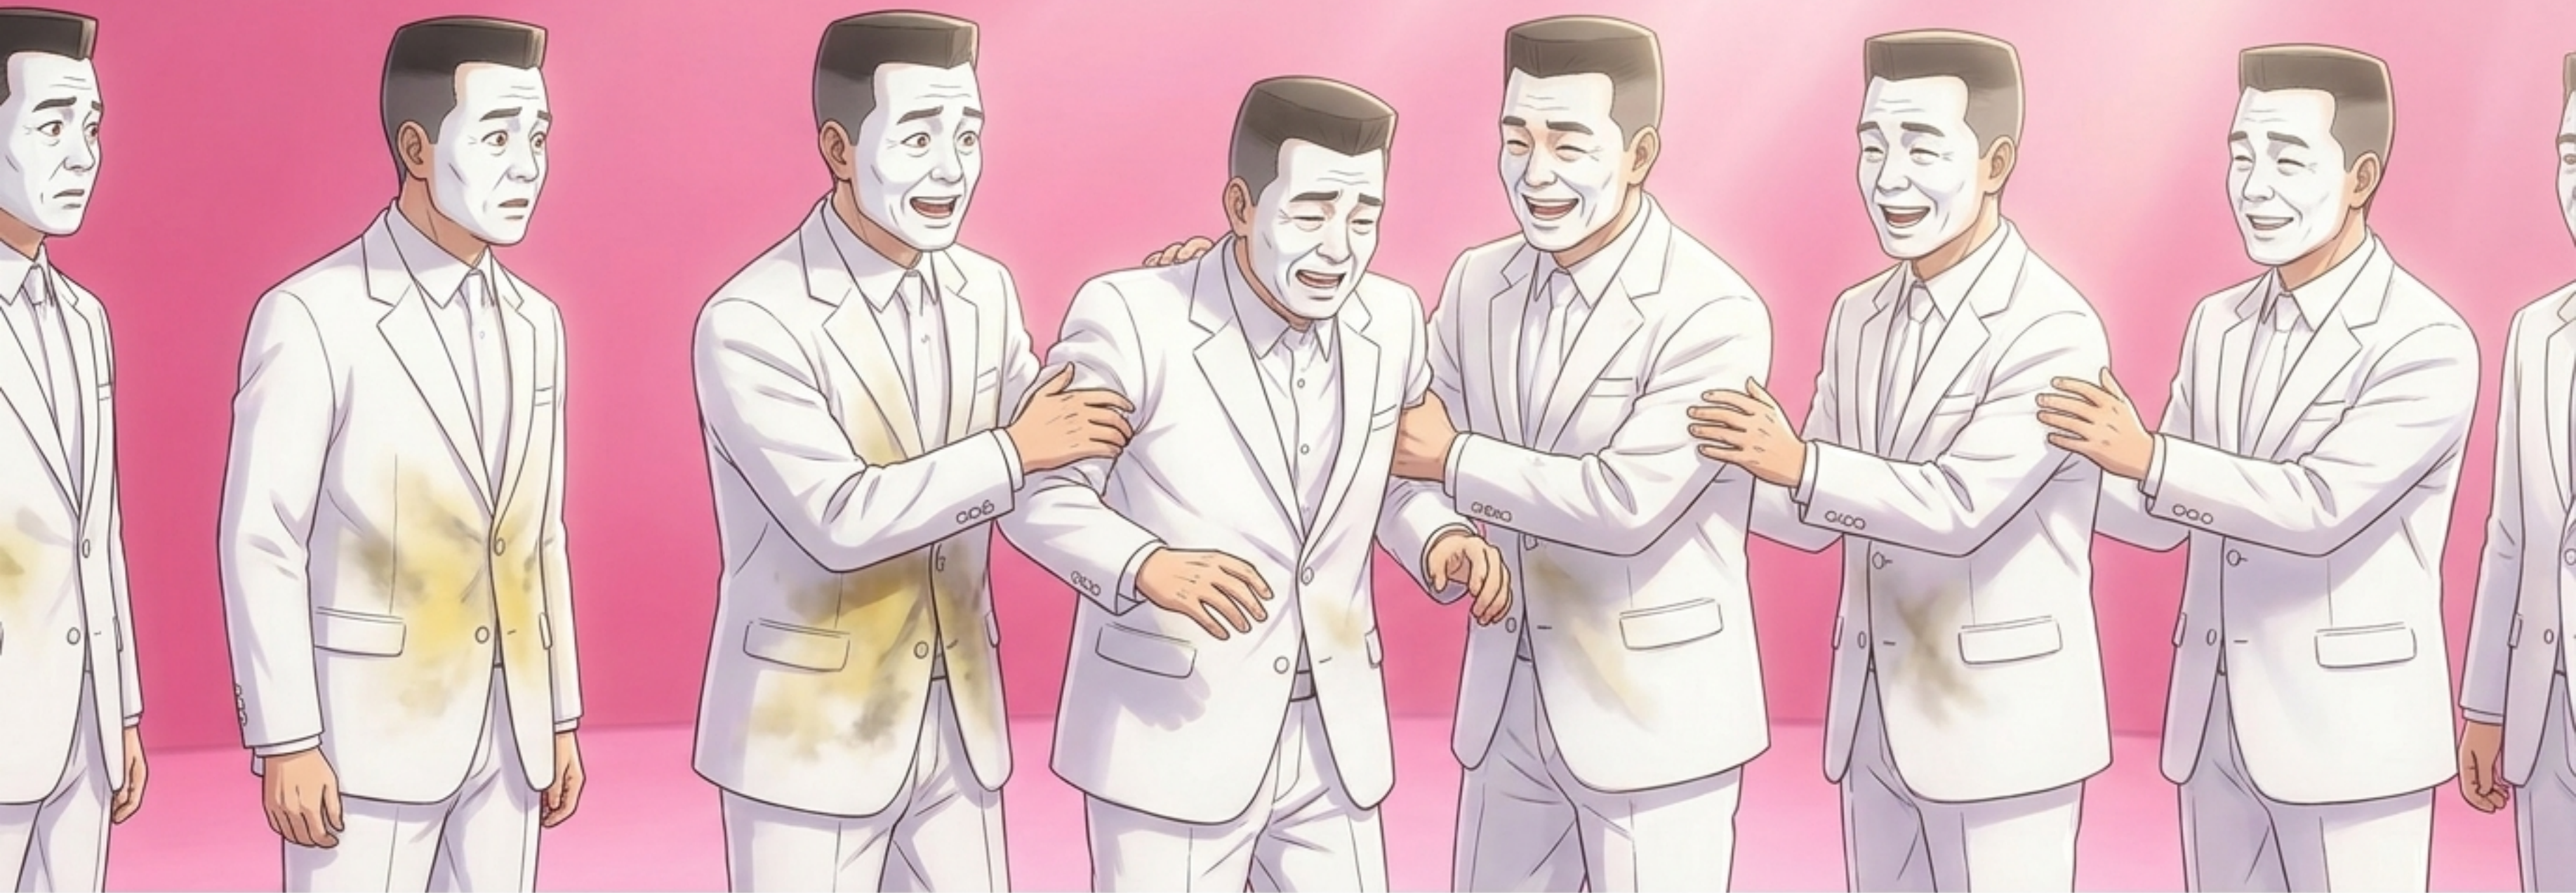

Scene 8

Shot: Medium Shot, Push-in.

Action: The young man's expression shifts to determination. He forcefully throws the cigarette box into a nearby street trash can.

Audio / Voiceover: Narrator: "It's not too late to quit now."

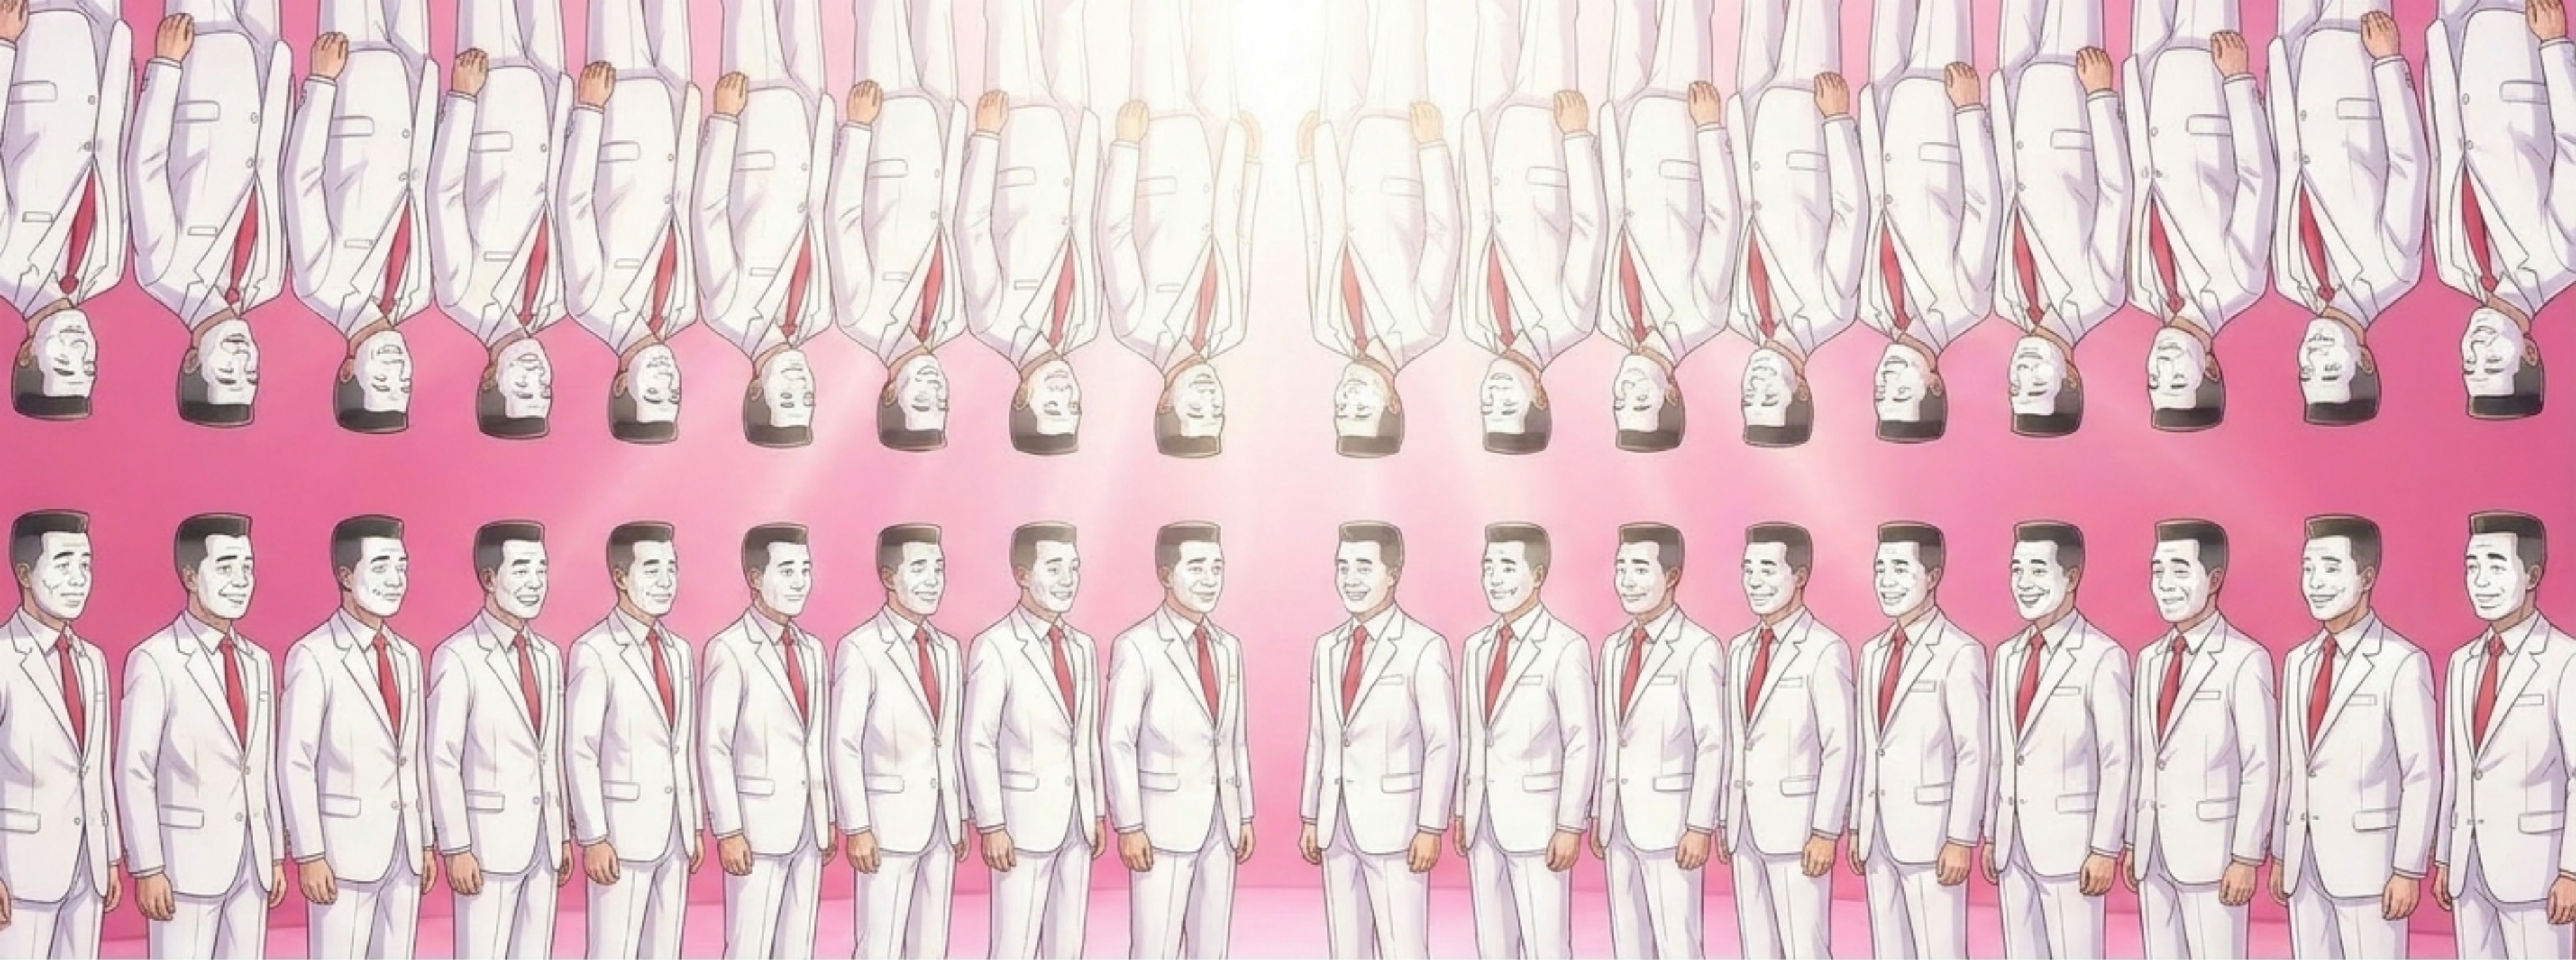

Scene 9

Shot: Medium Shot, Static.

Action: Back on the pink stage. The wobbling fourth tooth is caught and firmly supported by his peers, stopping the domino effect. The yellow-black smoke stains on their suits begin to fade away magically.

Audio / Voiceover: Narrator: "The longer you quit, the lower the risk of gum disease."

Scene 10

Shot: Wide Shot, Slow Pull-out.

Action: Over 20 pristine Tooth Suit Men (stains completely gone) stand confidently shoulder-to-shoulder. They are arranged in two opposing rows—the bottom row standing, the top row inverted head-to-head—perfectly mimicking a healthy, aligned bite.

Graphics Overlay Note: Department of Health Tobacco and Alcohol Control Office Logo | www.livetobaccofree.hk | Quitline: 1833 183

Audio / Voiceover: Narrator: "Quit smoking now. Call the Quitline 1833 183."
