

Camera / Lighting

Wide Shot (Static).
Moody / High-Contrast.

Visual Action

20+ “Tooth Suit Men” stand
shoulder-to-shoulder on the gum
stage, exhibiting extreme fatigue.

Audio / Dialogue

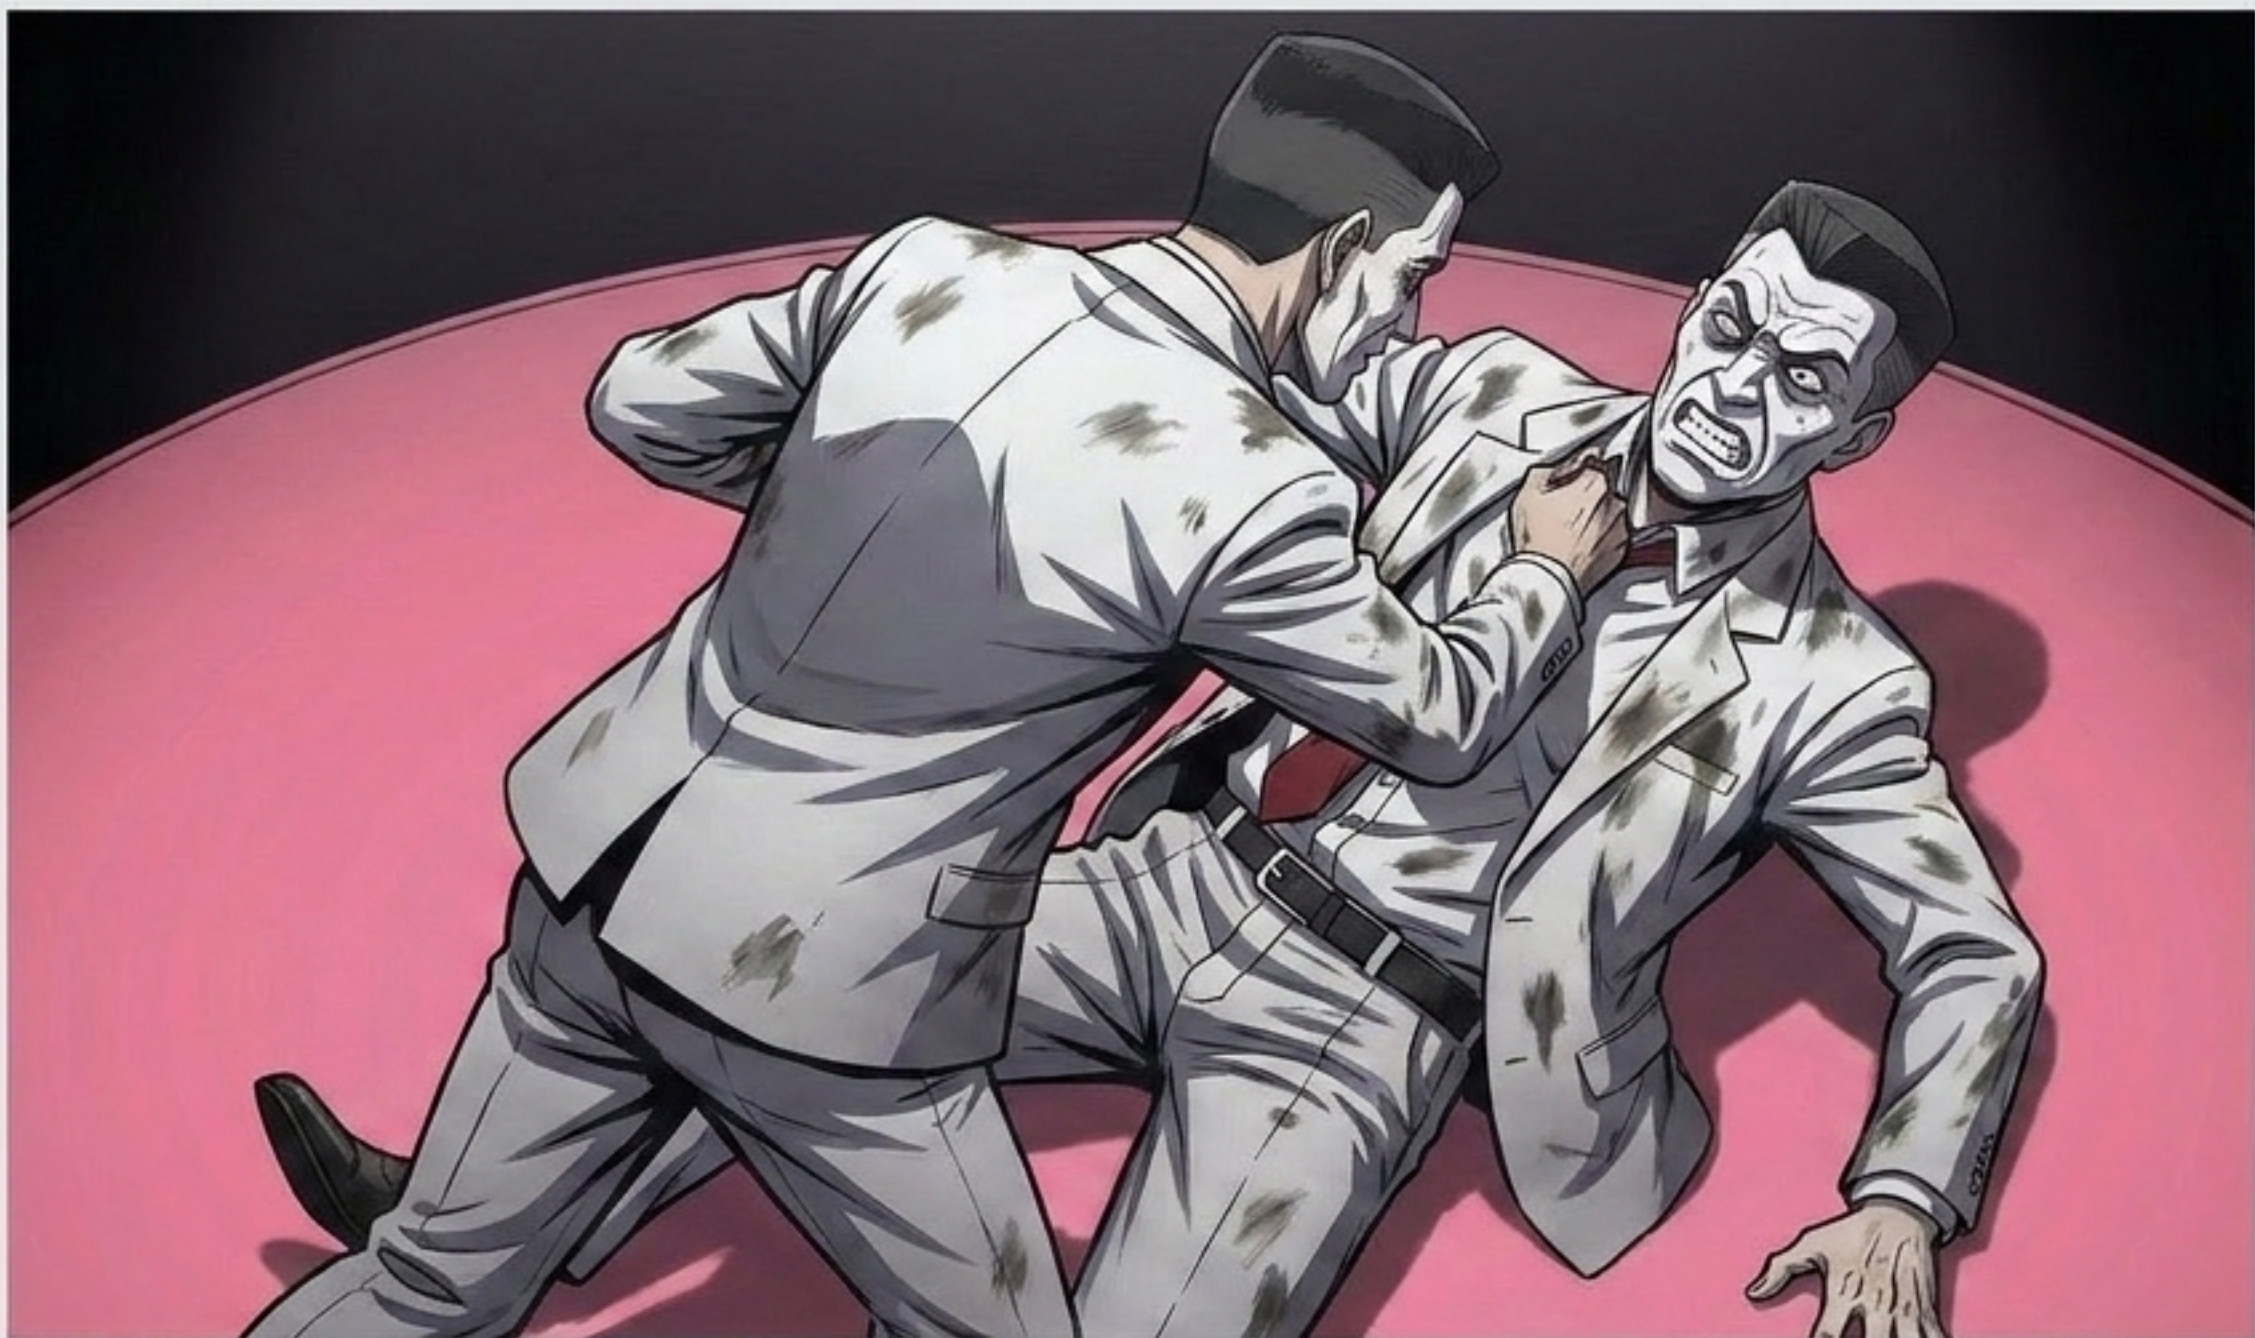

(Ambient, oppressive soundscape)

Camera / Lighting	Visual Action	Audio / Dialogue
Close-up (Slow Push-in). Dramatic / Dark.	'Tooth 1' leans 45 degrees, pulling his tie, unable to support his own weight.	牙齒1 (Tooth 1): “我唔撈喇” (I quit).

Camera / Lighting	Visual Action	Audio / Dialogue
Medium Shot (Static). High-contrast shadows.	Tooth 1 impacts Tooth 2. Tooth 2 buckles under the weight.	牙齒2 (Tooth 2): “我都頂唔順喇” (I can’t take it anymore).

Camera / Lighting	Visual Action	Audio / Dialogue
Medium Shot (Slight Pan right). Jagged shadows.	The domino effect spreads as Tooth 2 crashes into Tooth 3.	牙齒3 (Tooth 3): “係你迫我㗎！” (You forced me!).

Camera / Lighting	Visual Action	Audio / Dialogue
Wide Shot (Handheld Shaky Cam). Chaotic contrast.	First three men are down. Panic ripples through the rest. Tooth 4 wobbles.	(Ambient, sounds of panic and crashing)

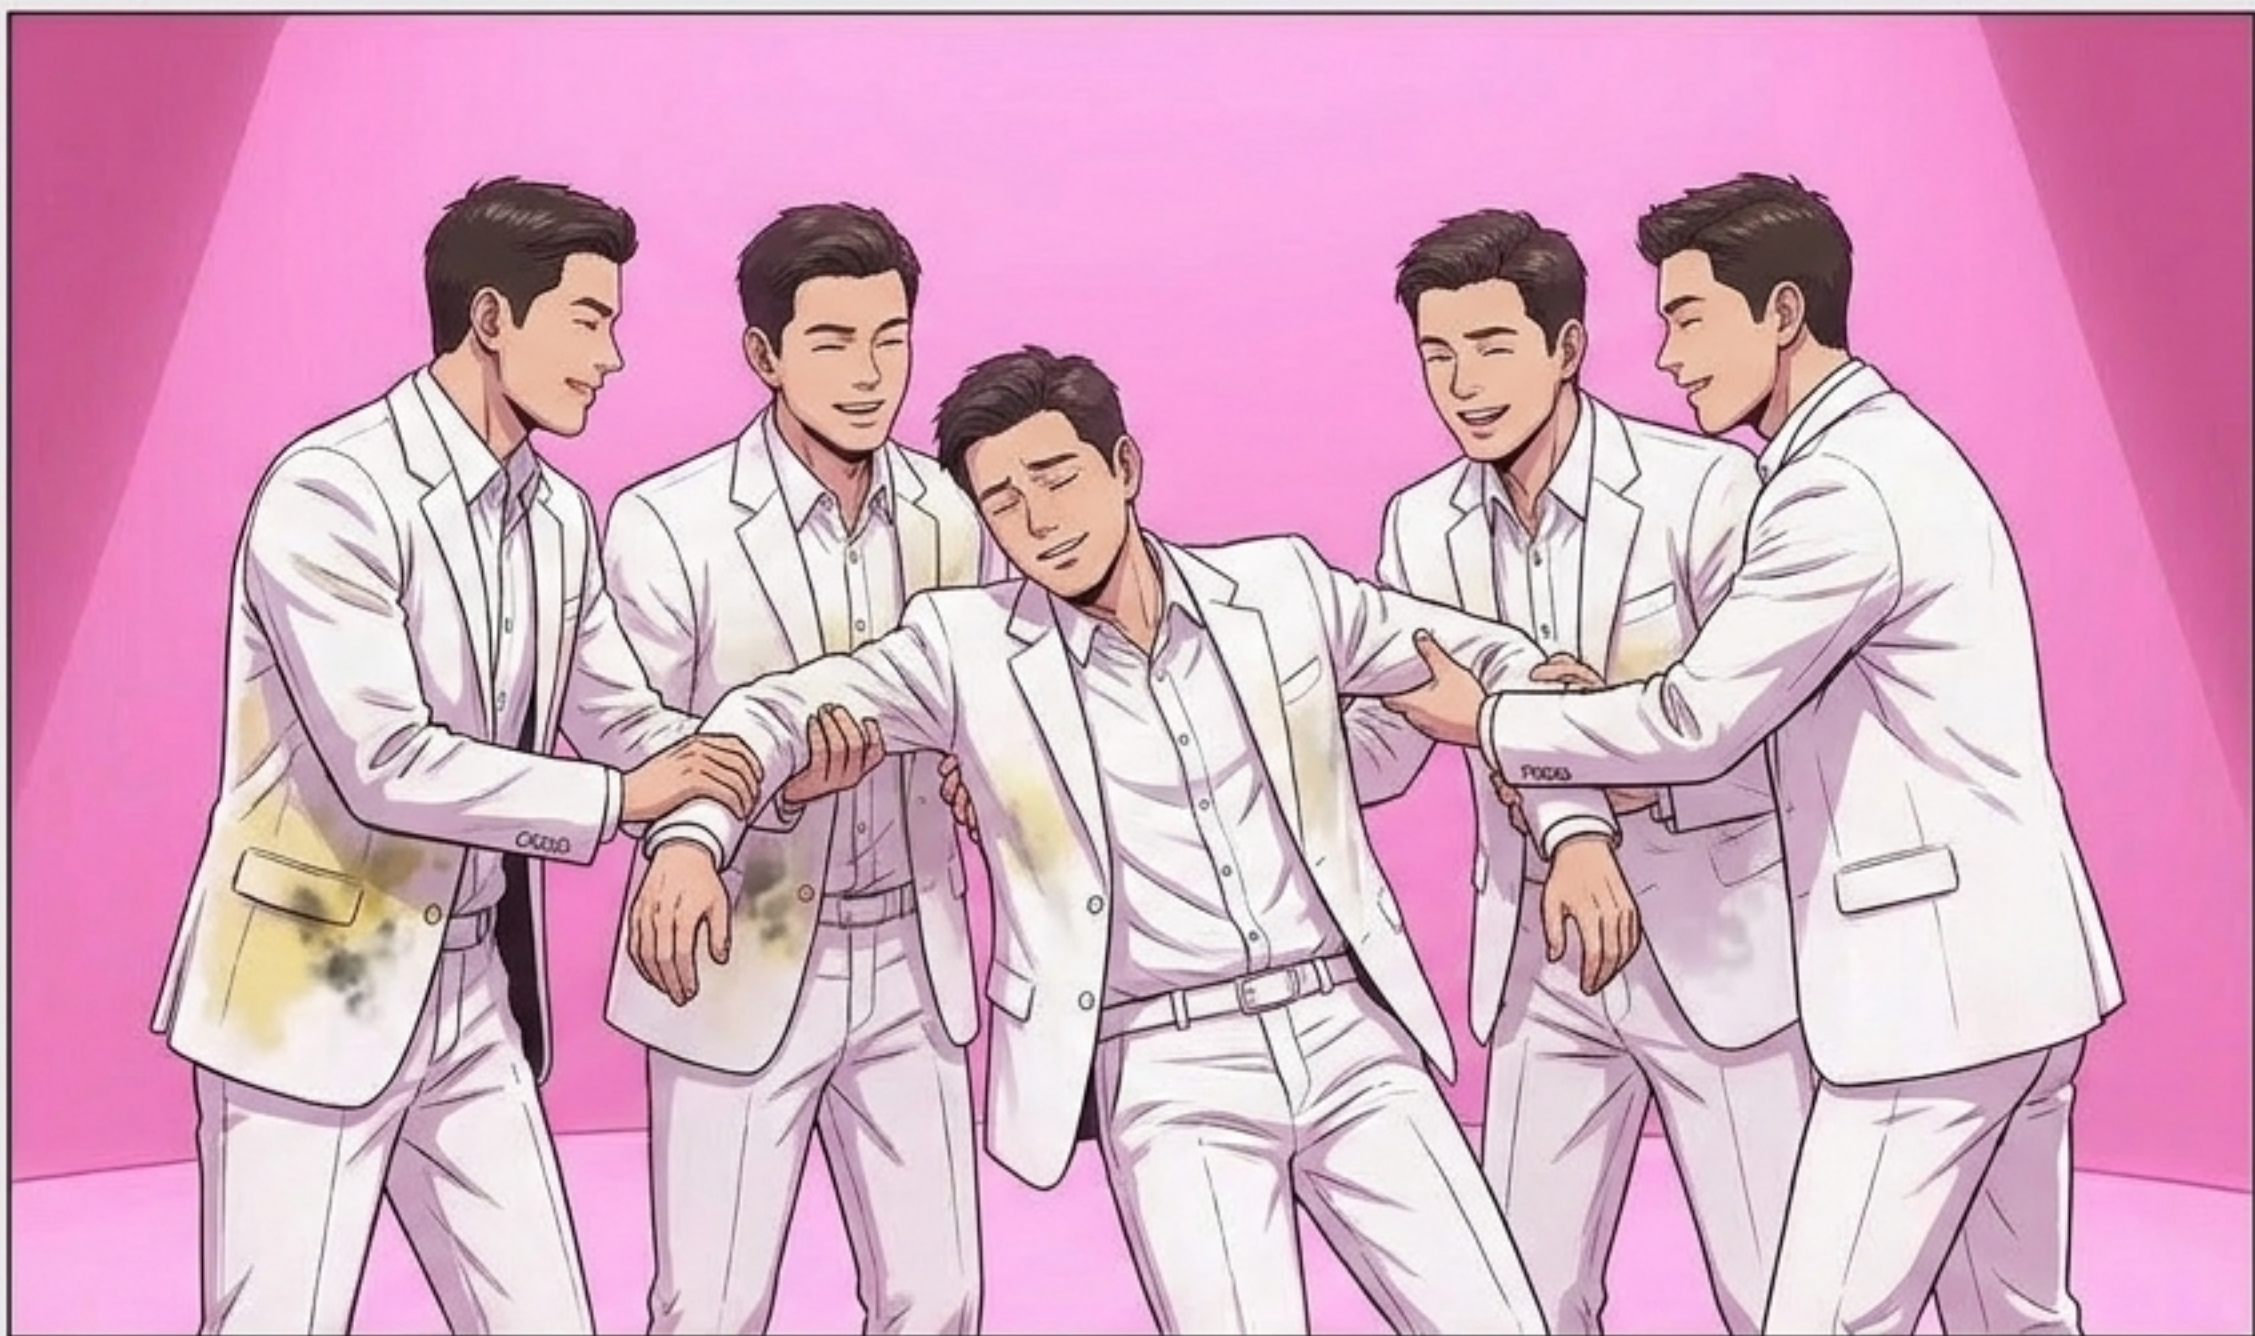

Camera / Lighting	Visual Action	Audio / Dialogue
Wide Shot (Rapid Zoom Out). Interior Darkness vs. Exterior Light.	Camera retreats rapidly through human lips, revealing the stage is actually an oral cavity.	Voiceover: “再吸落去，下一隻就到佢。” (Keep smoking, and the next one is him.)

Camera / Lighting	Visual Action	Audio / Dialogue
Extreme Close-up (Static). Muted Natural Daylight.	Young man experiences a sudden, shooting pain in his gums while holding a cigarette.	Voiceover: “吸煙導致牙周病，增加甩牙風險。” (Smoking causes gum disease, increasing the risk of tooth loss.)

Camera / Lighting	Visual Action	Audio / Dialogue
Medium Shot (Push-in). Shift to Vibrant/Optimistic Daylight.	Young man definitively throws his cigarettes into the trash.	Voiceover: “而家戒煙仲有得振” (It’s not too late to quit now.)

Camera / Lighting	Visual Action	Audio / Dialogue
Medium Shot (Static). Clean, bright, shadowless.	The domino effect is stopped. The clones support each other as the smoke stains fade from their suits.	Voiceover: “戒得越耐，患牙周病嘅風險就越低。” (The longer you quit, the lower the risk of gum disease.)

Camera / Lighting

Wide Shot (Slow Pull-out).
Maximum Brightness / Vibrant.

Visual Action

Pristine clones form a perfect, glowing set of upper and lower teeth. (Note: Post-production to overlay graphic URLs/Logos).

Audio / Dialogue

Voiceover: “立即戒煙，打戒煙熱線 1833 183”
(Quit now, call the quitline 1833 183).

骨牌牙齒：戒煙救牙
