

One notification letter, two choices.

Left: Immediate follow-up.

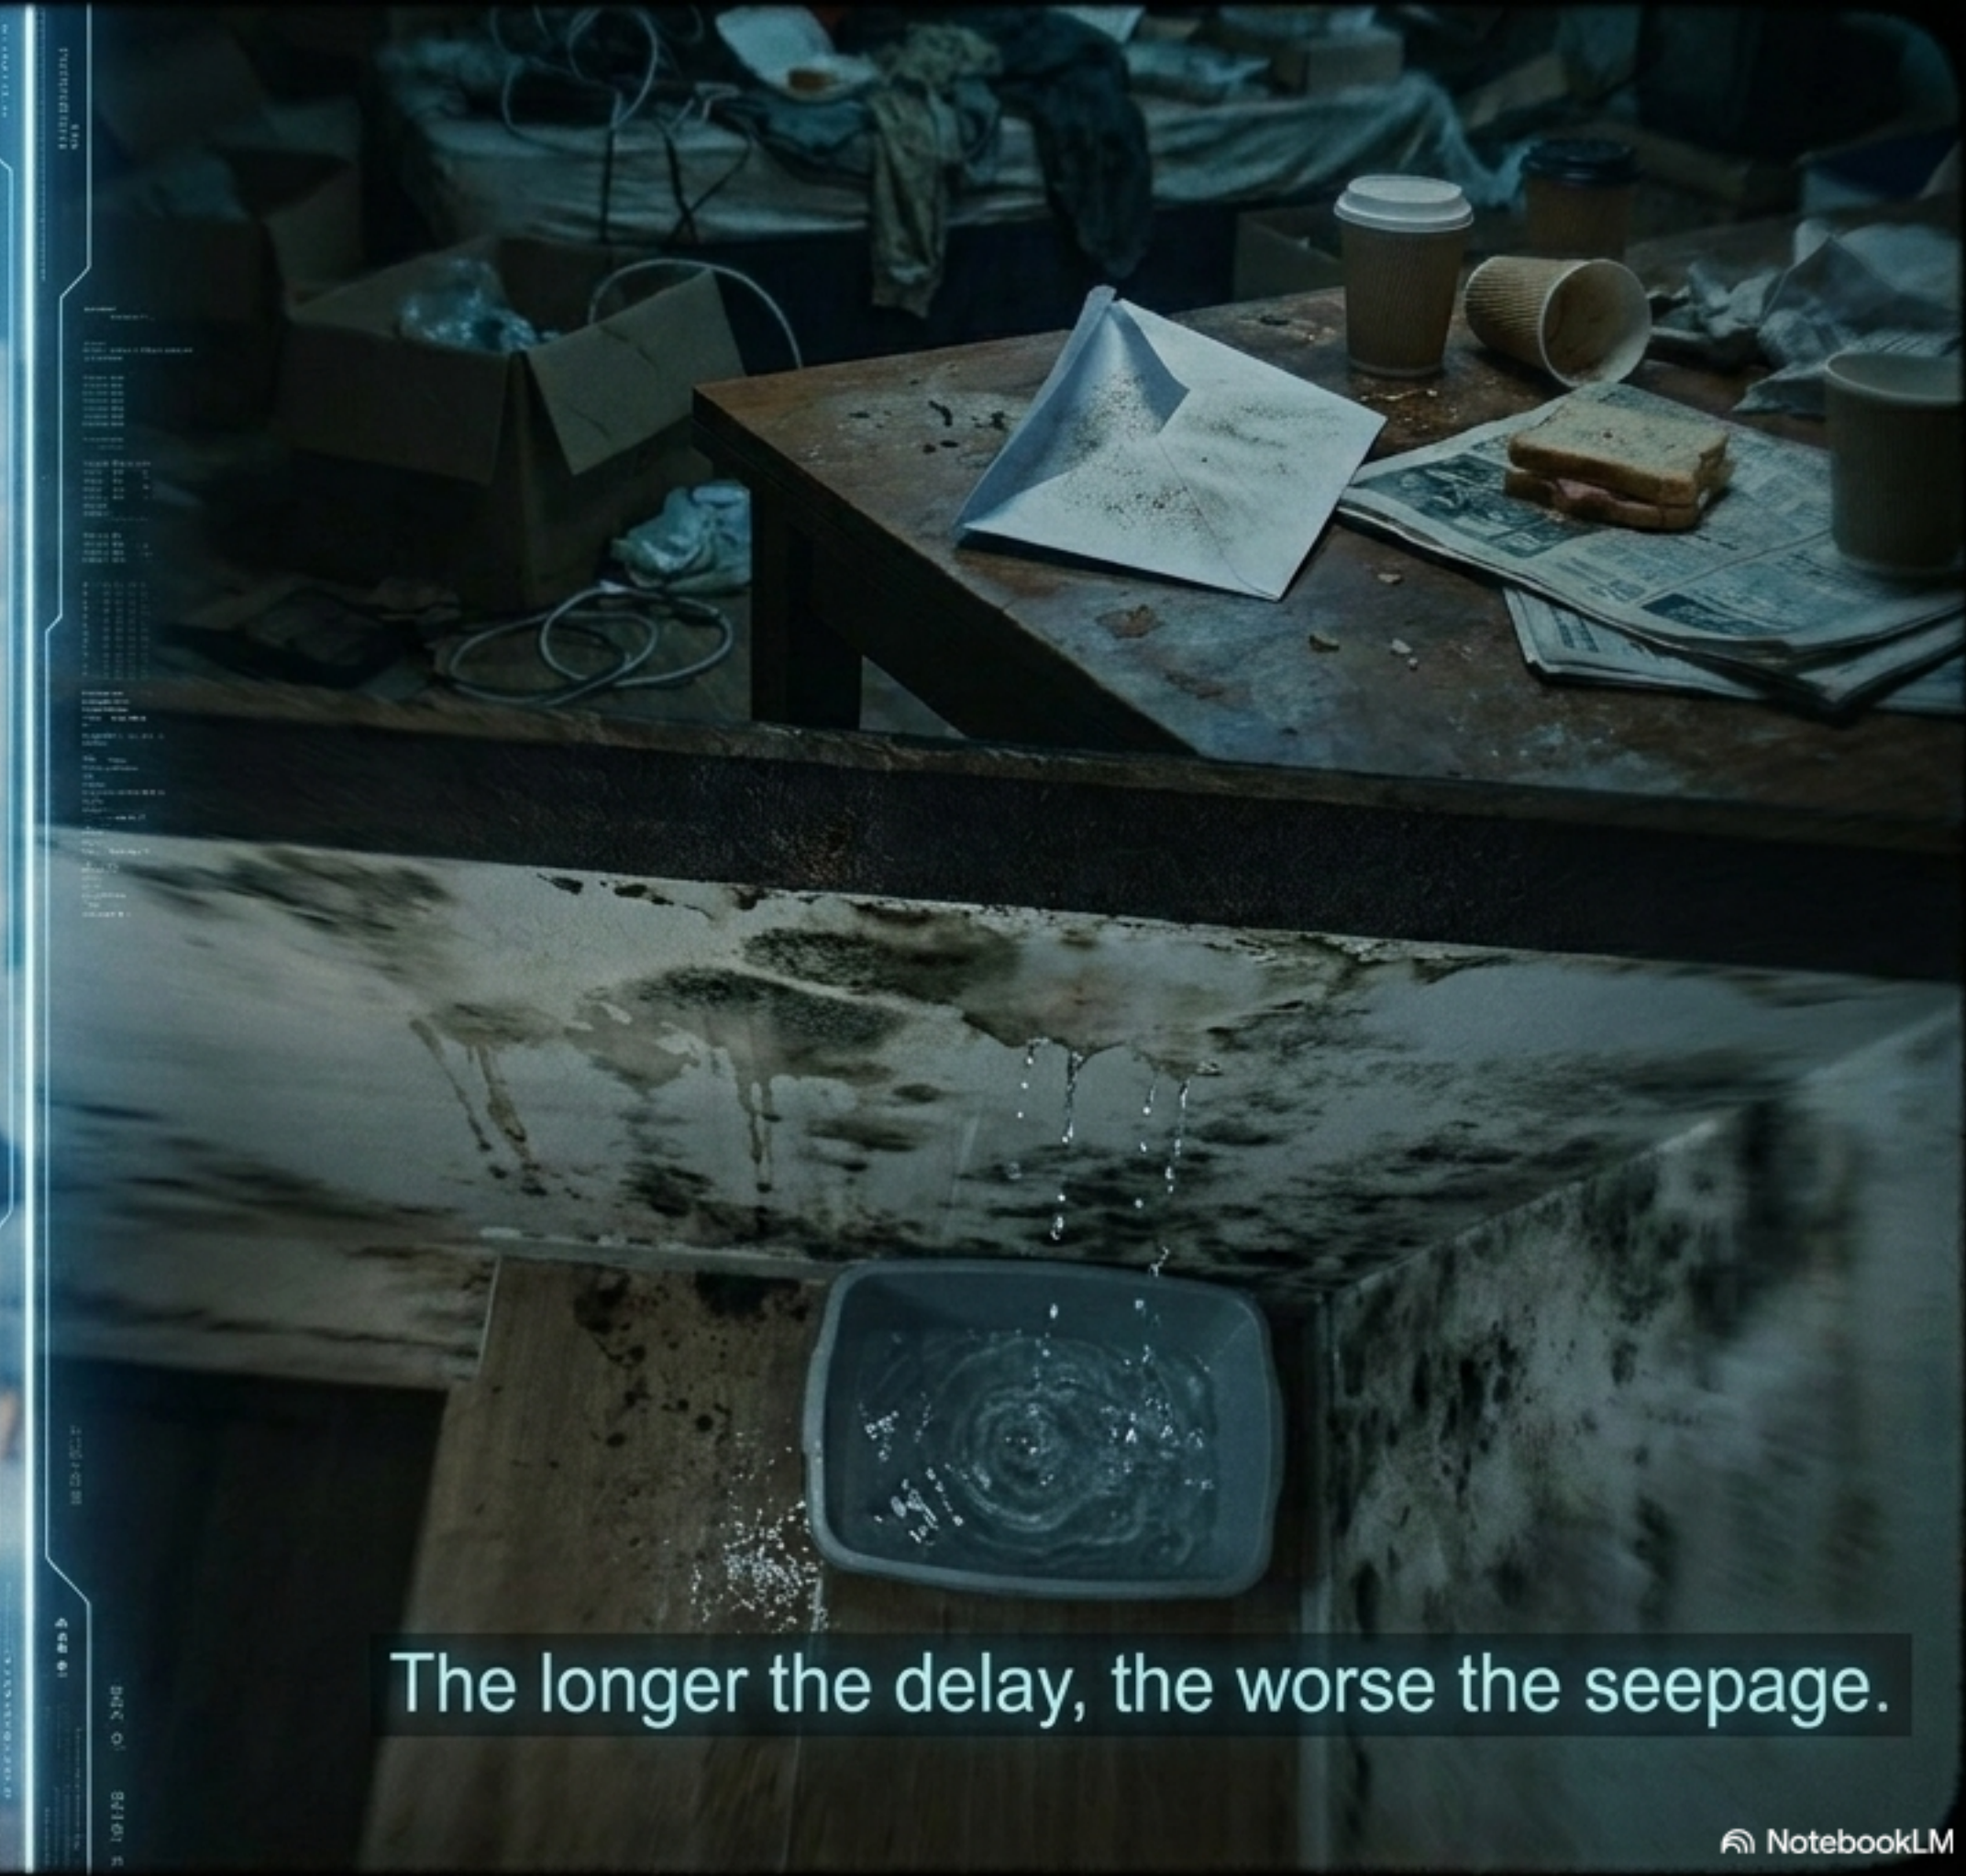

Right: Continued delay.

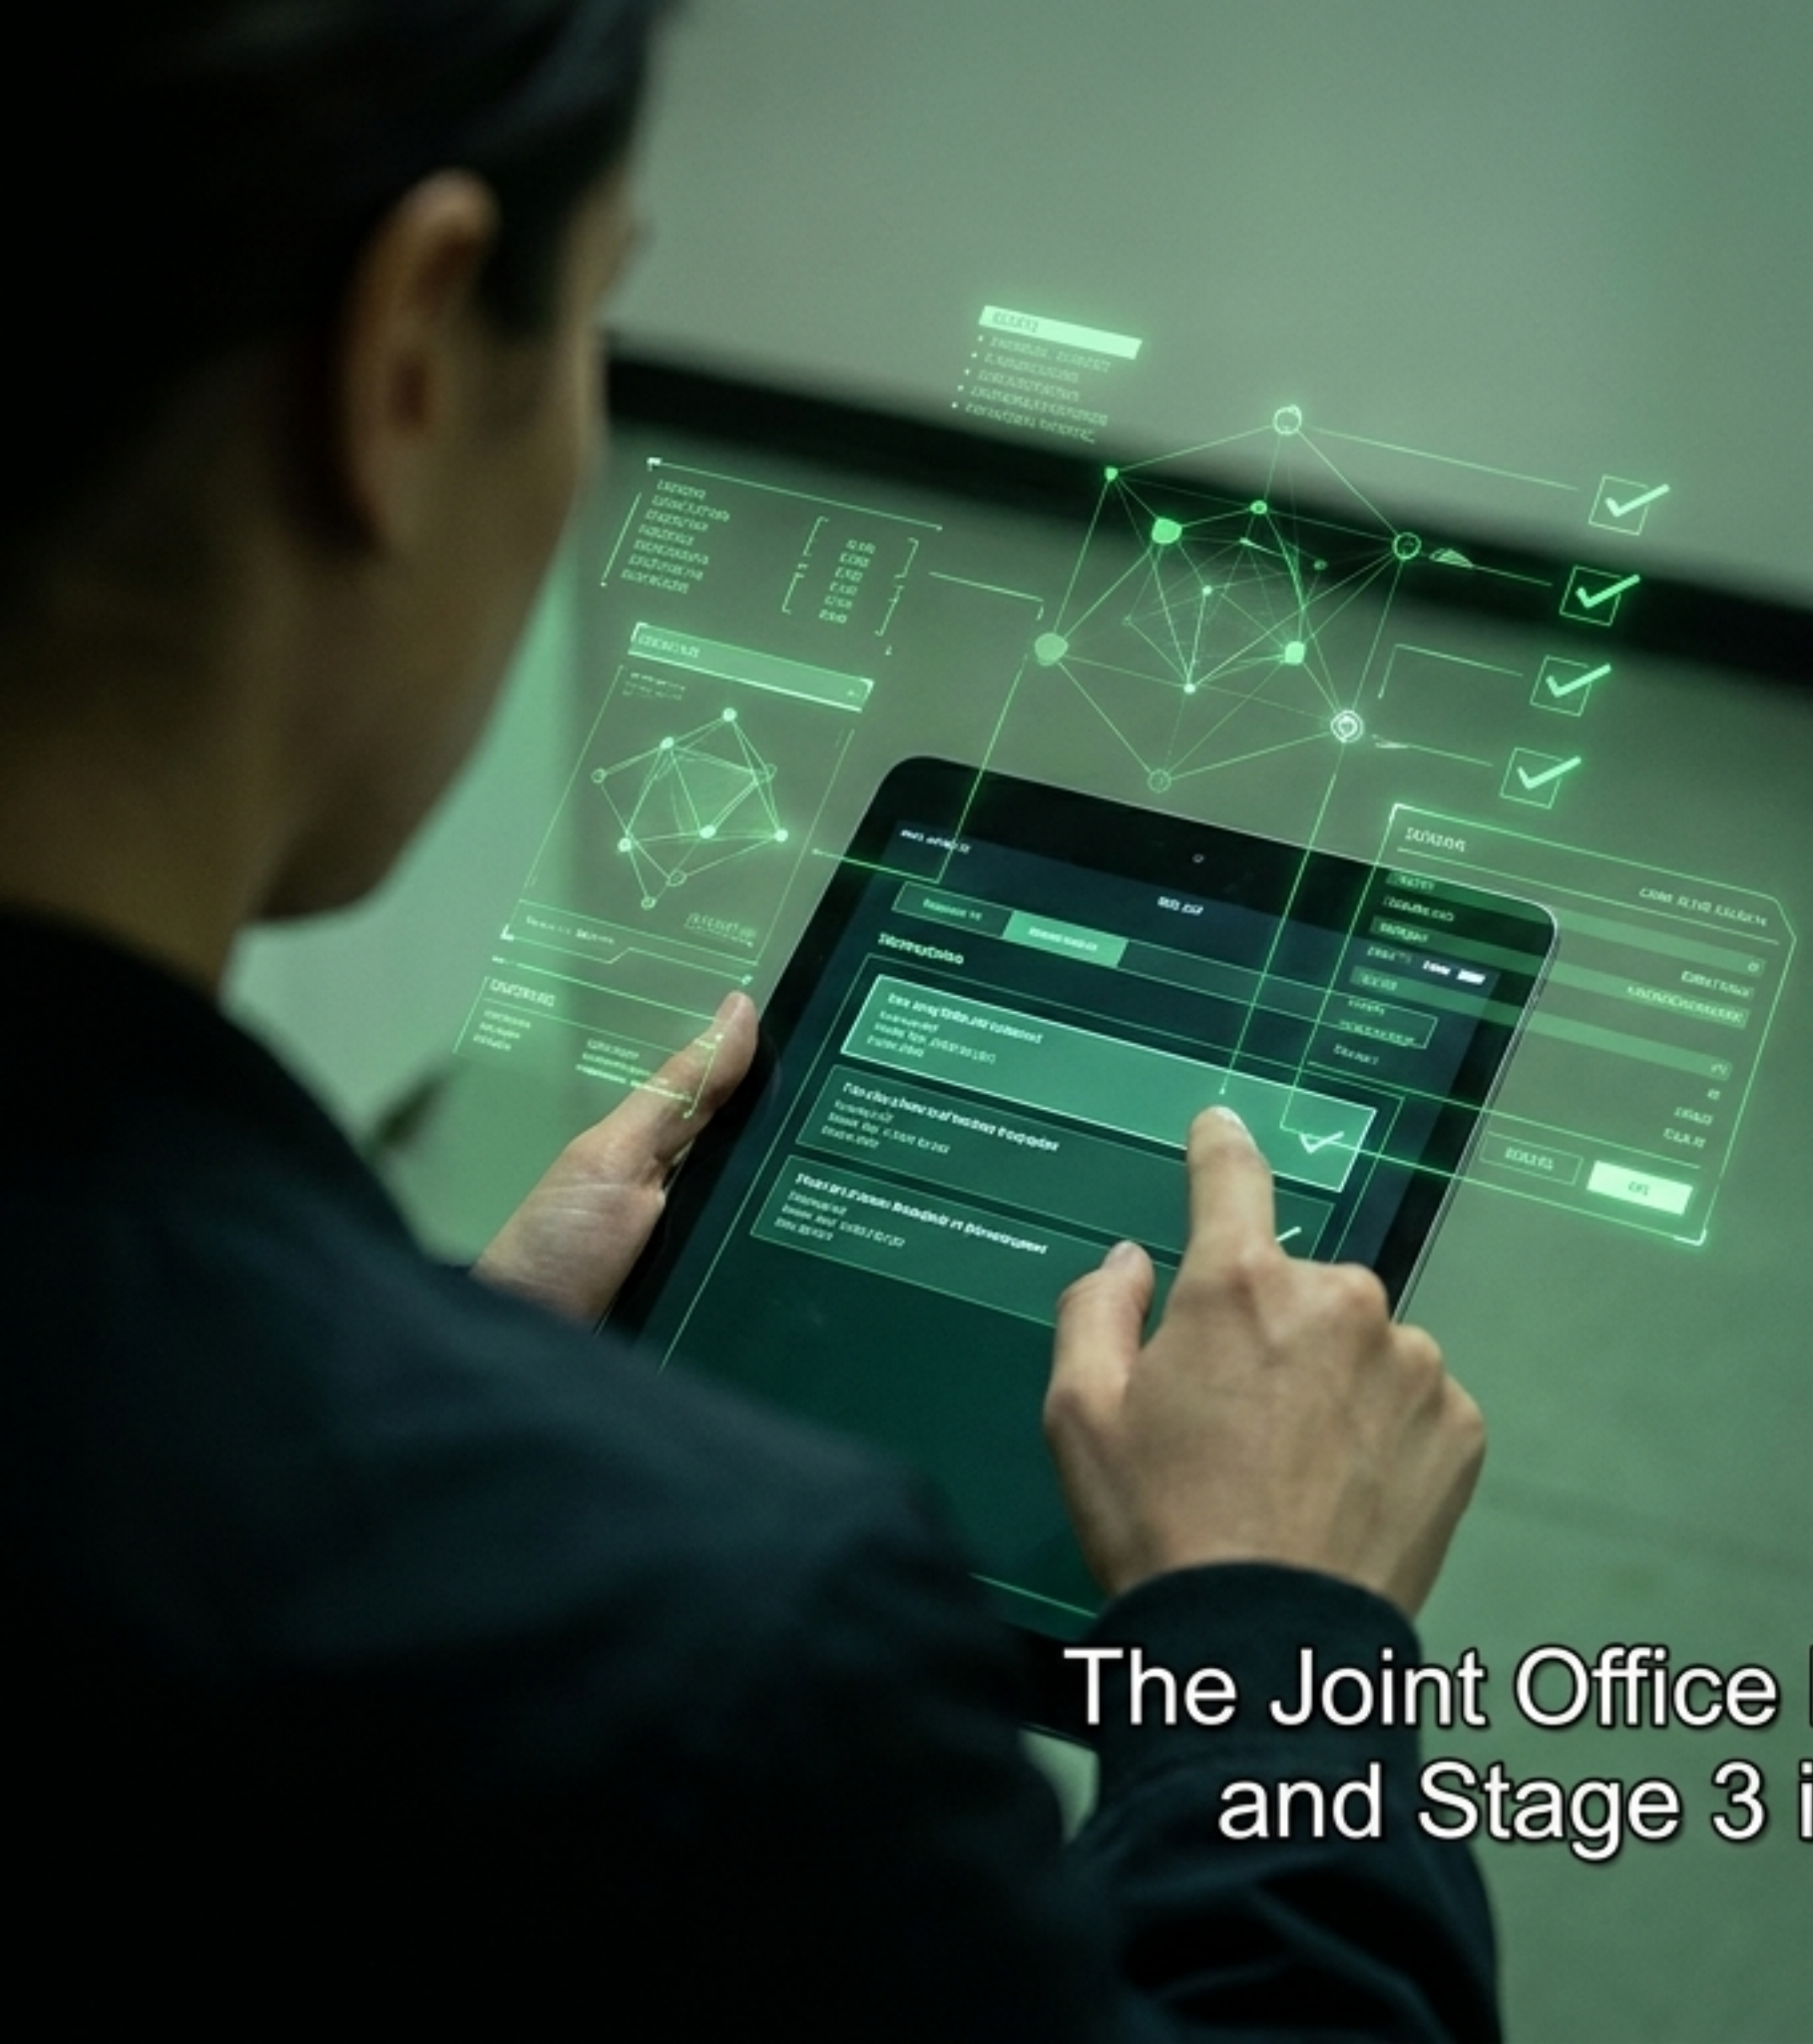

Arrange inspection within the deadline;
infrared thermography instantly analyzes
the seepage source.

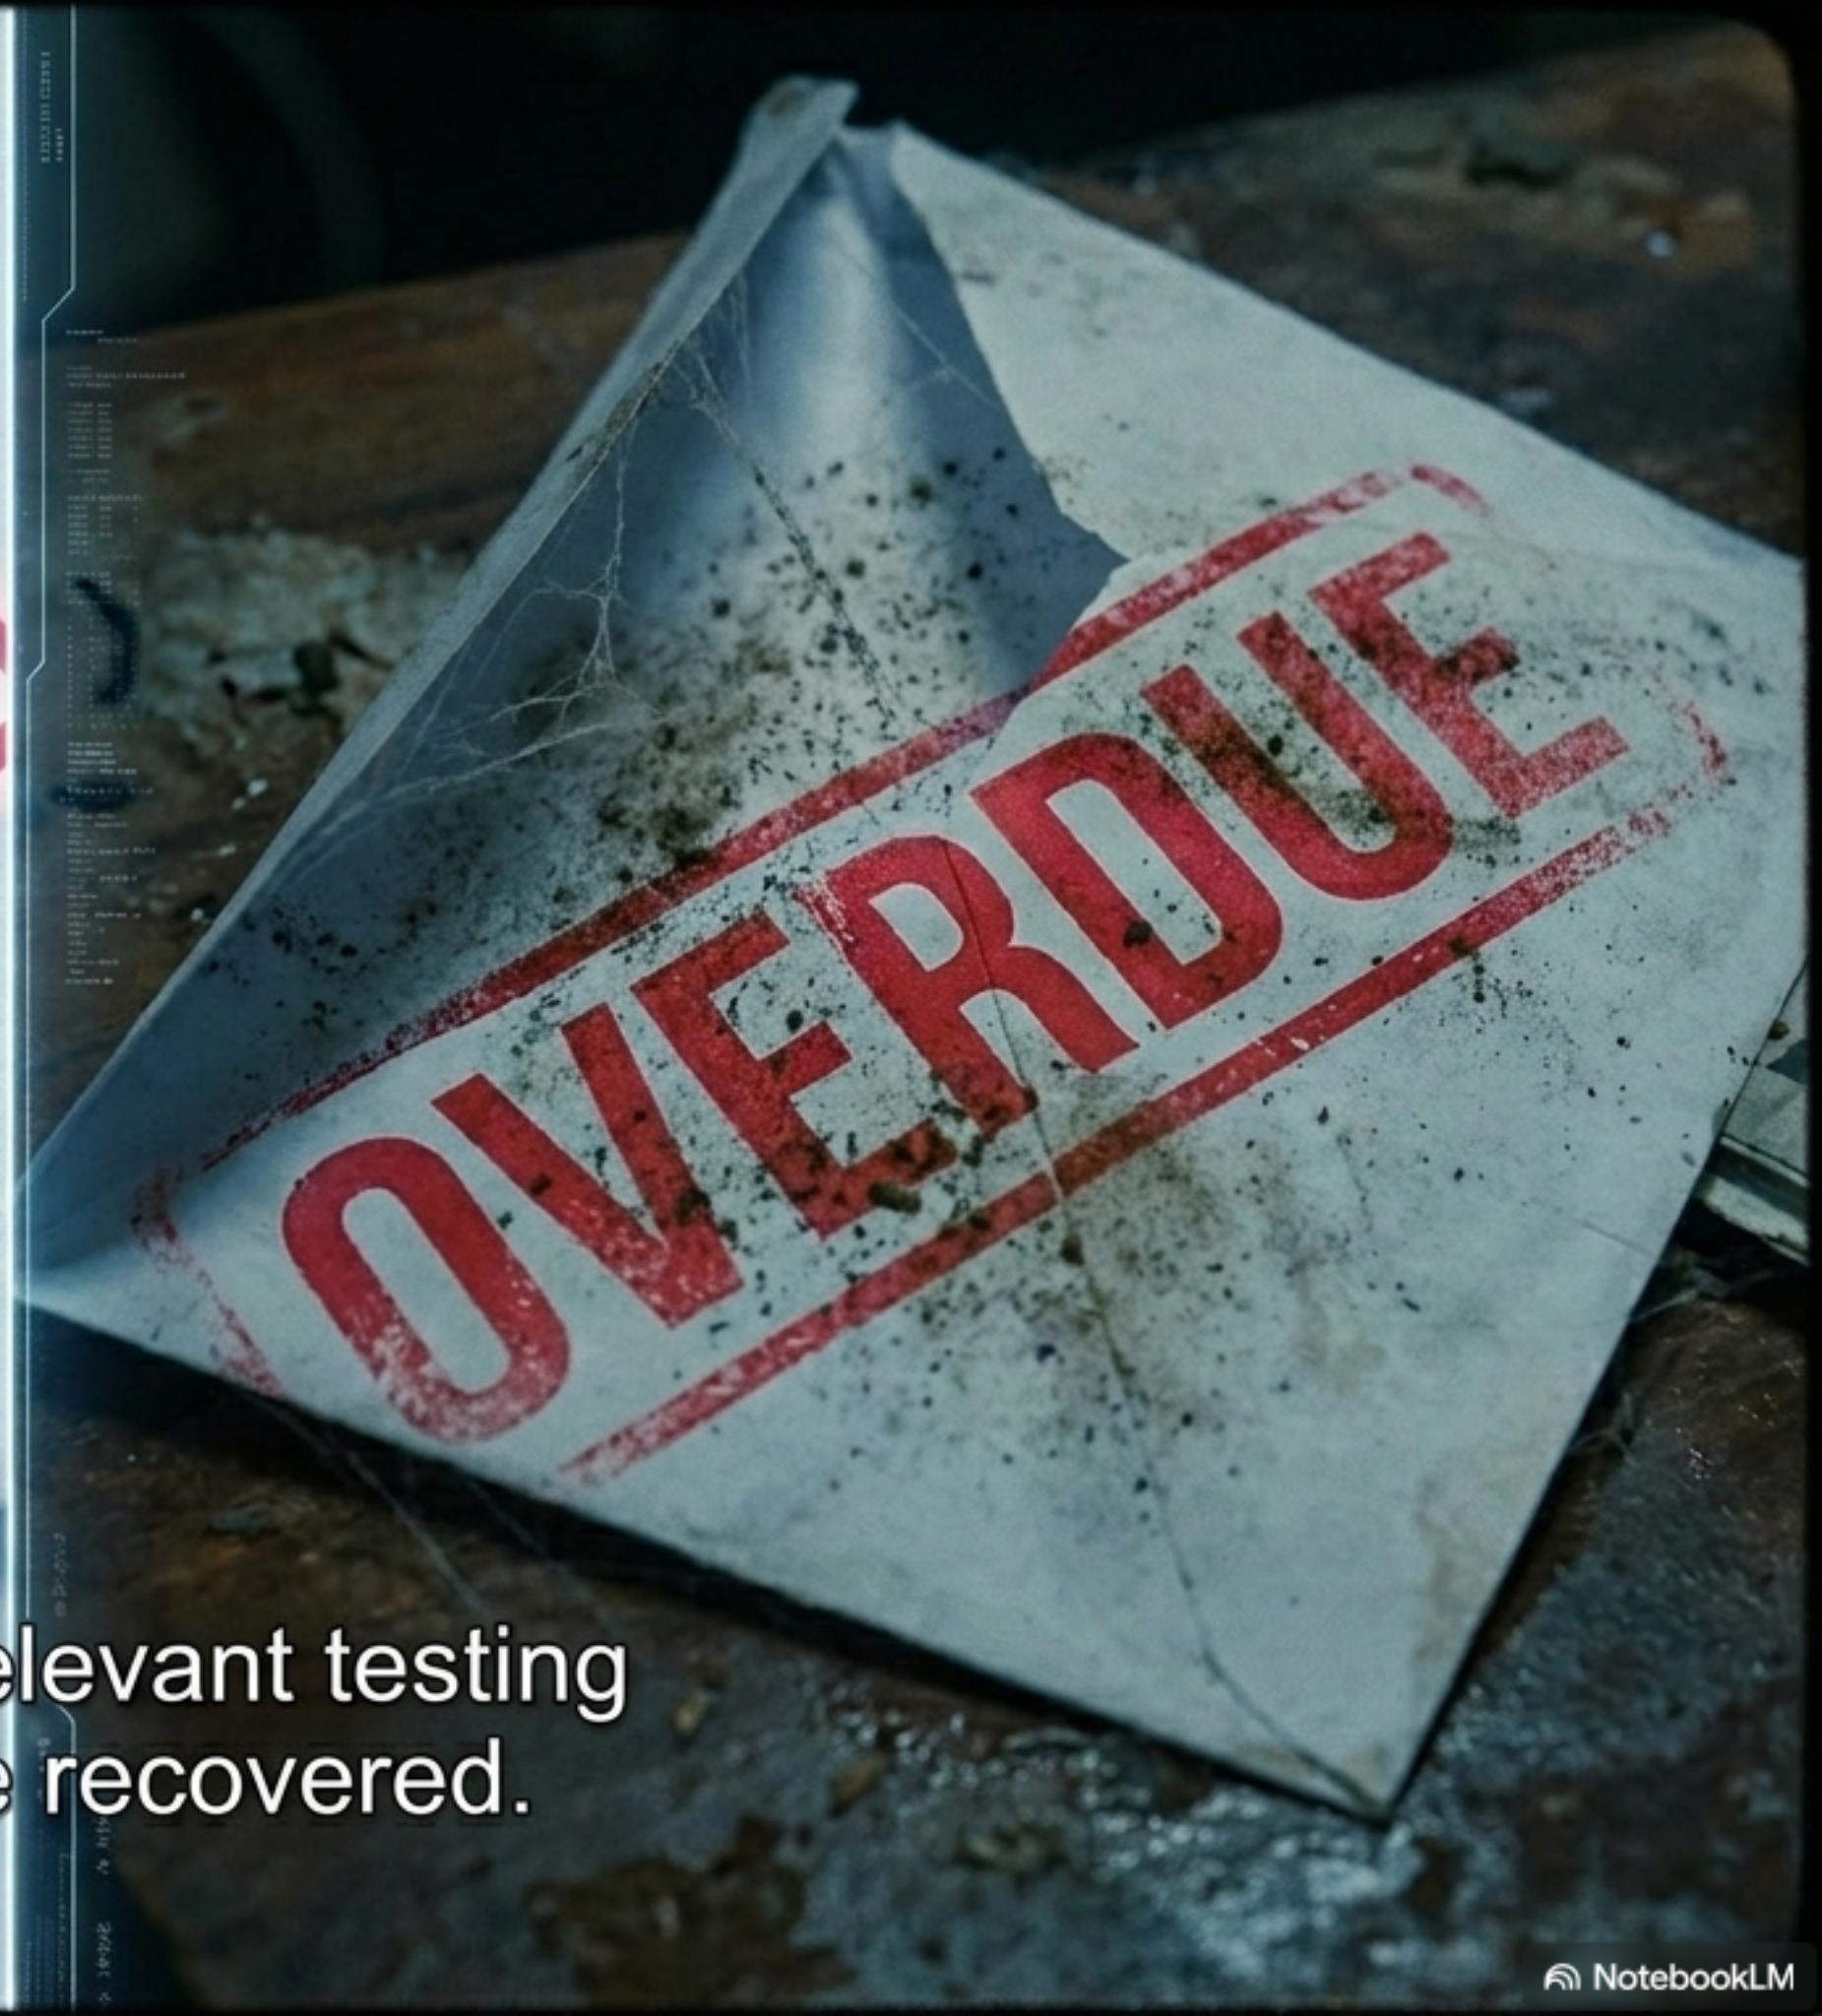

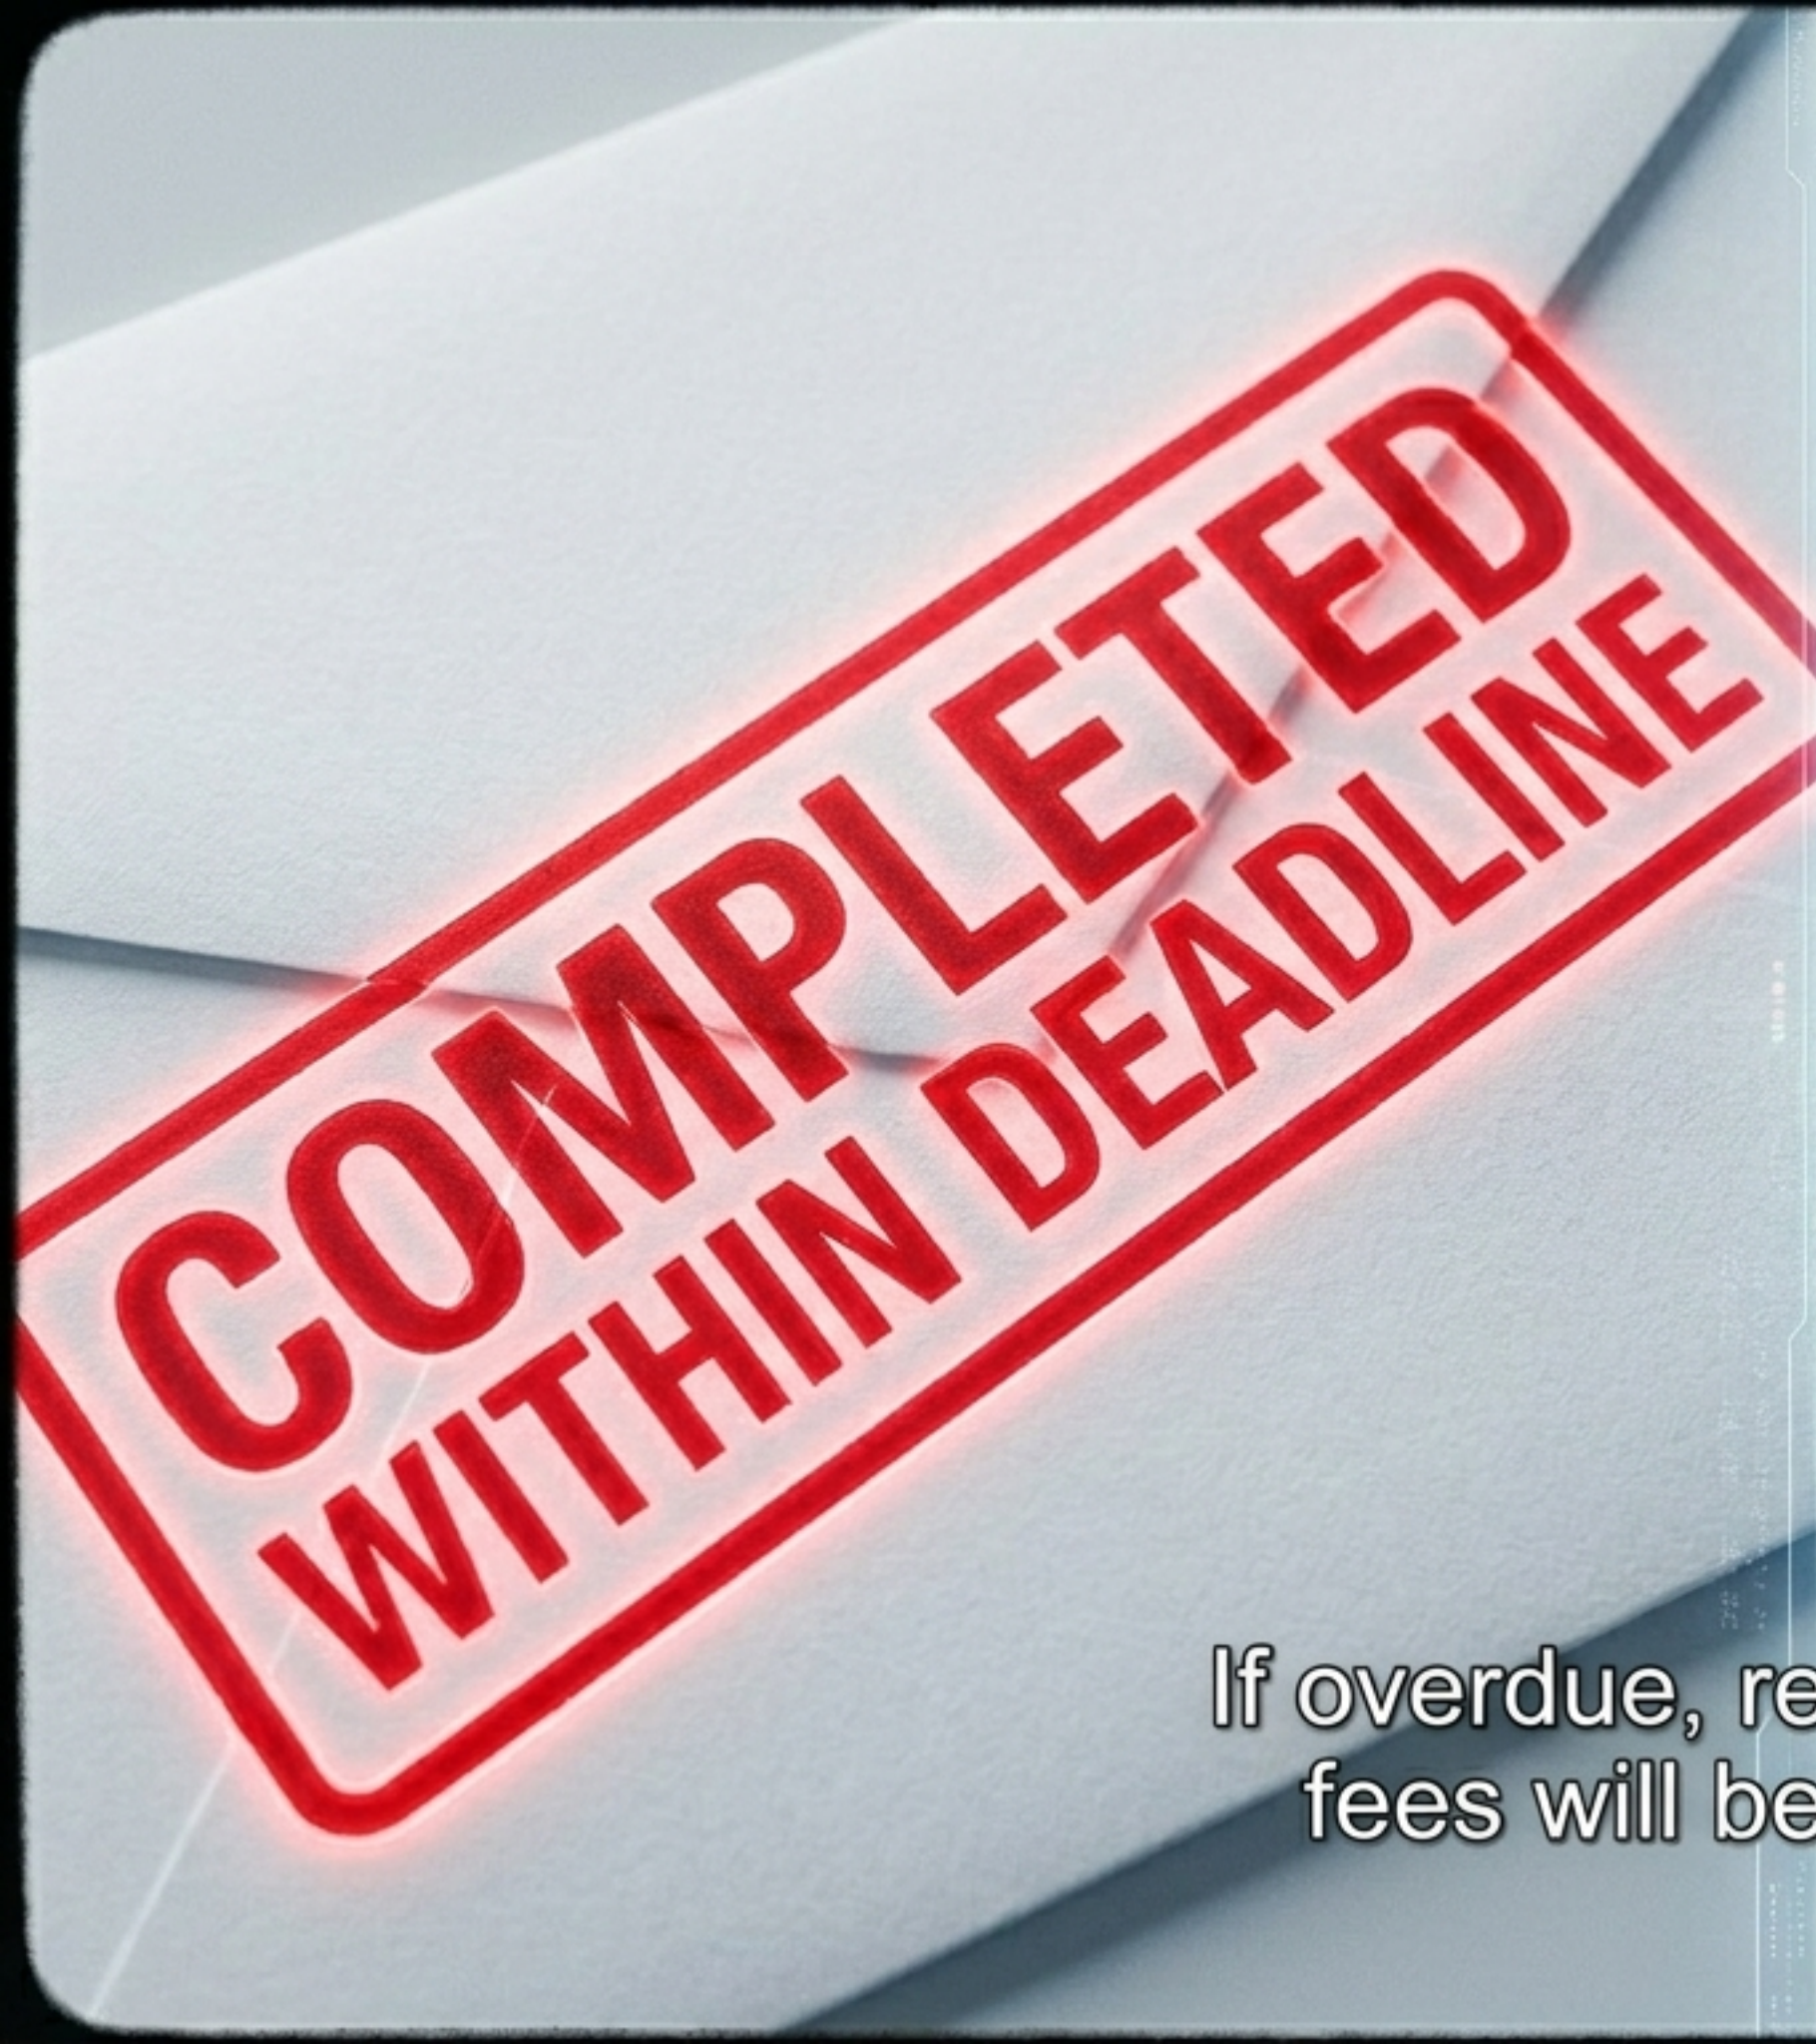

The longer the delay, the worse the seepage.

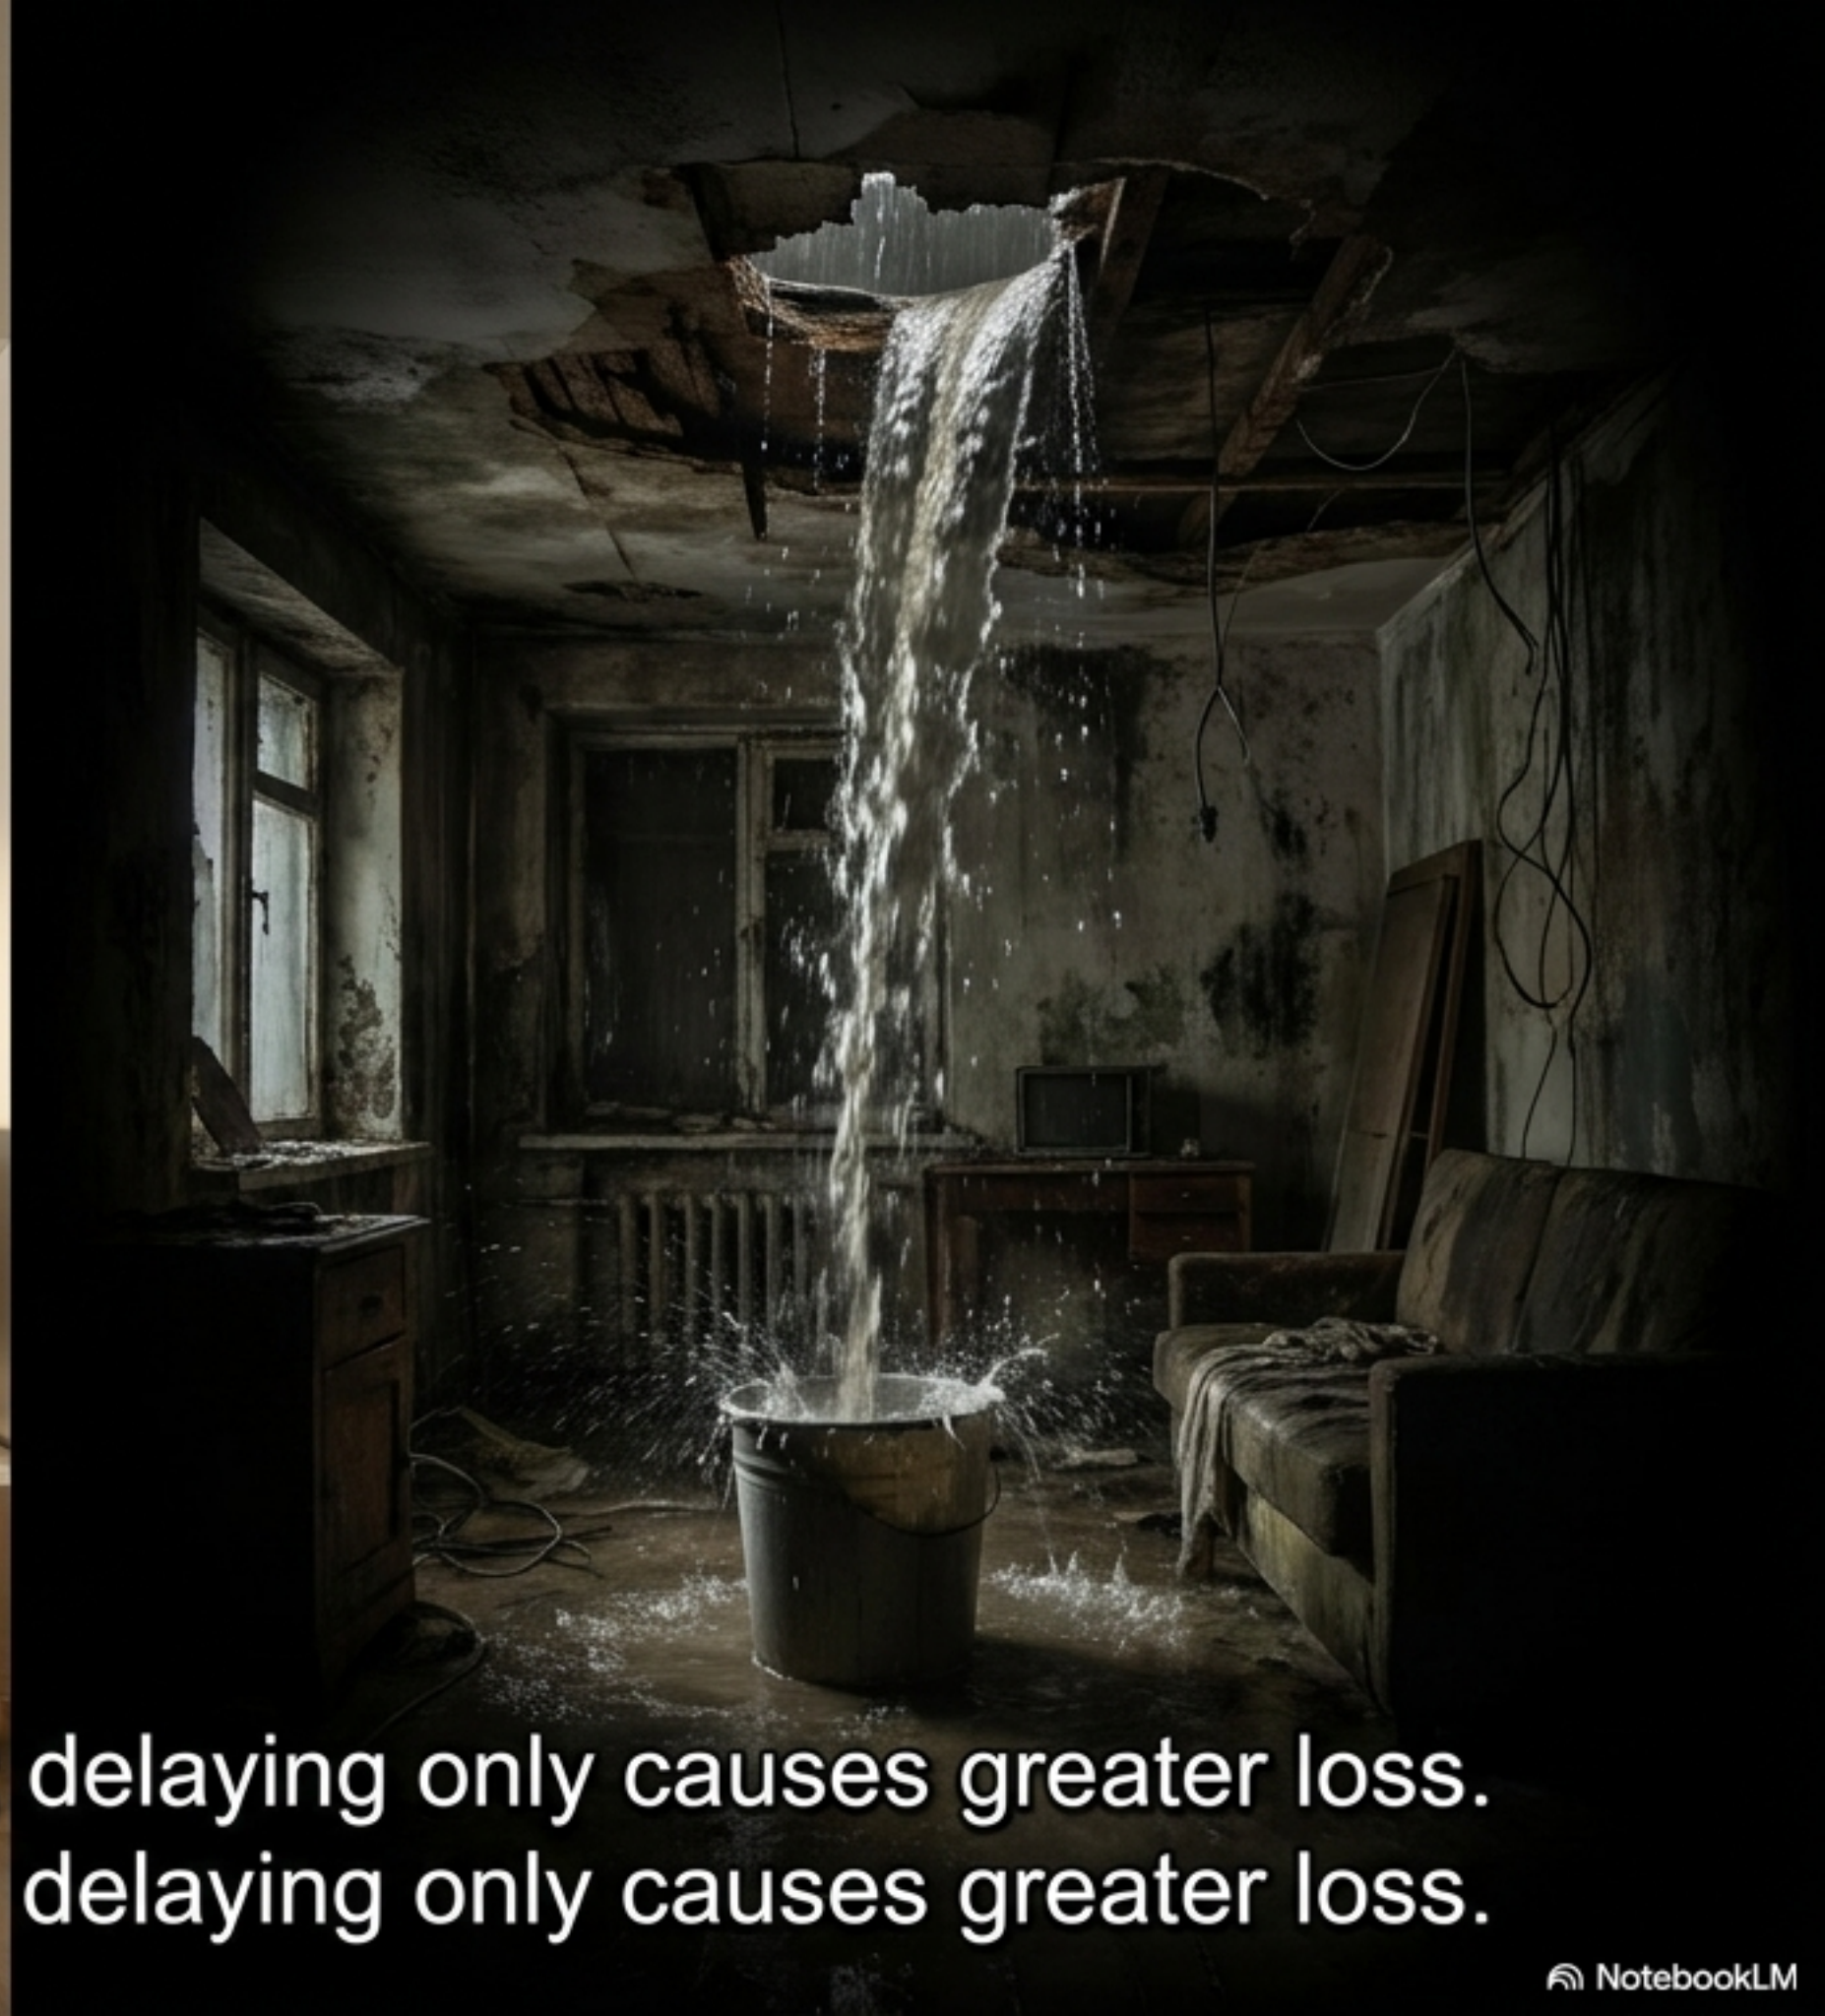

The Joint Office launches Stage 2 and Stage 3 investigations.

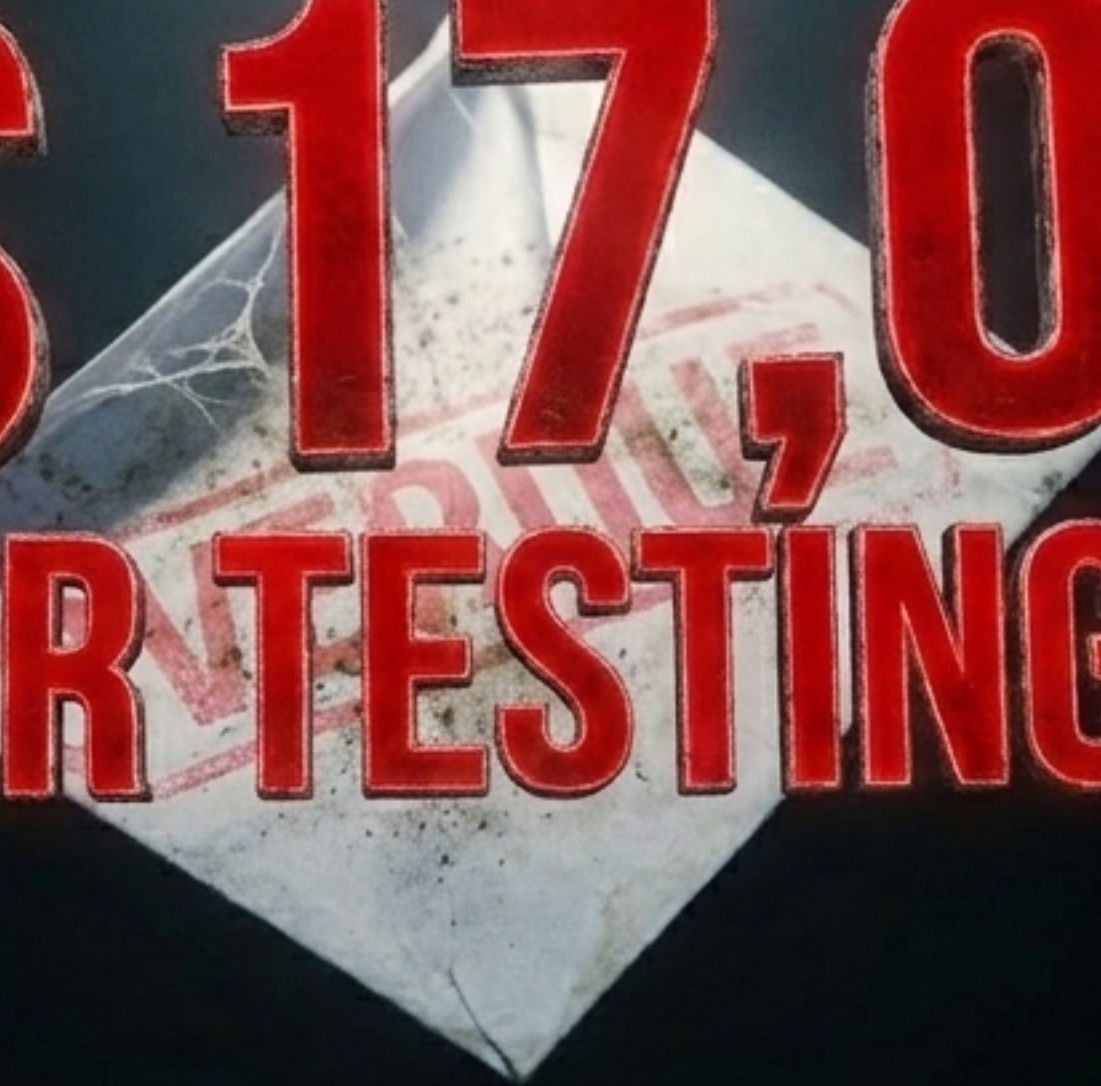

If overdue, relevant testing fees will be recovered.

Timely repair solves the problem; delaying only causes greater loss.
Timely repair solves the problem; delaying only causes greater loss.

**HK\$ 17,000
RECOVER TESTING FEES**

Cost of delay: HK\$17,000 testing fee.

Don't delay water seepage issues. Follow up immediately upon receiving a notice.
