

A man in a white uniform with green accents is talking to an elderly woman on a city street at sunset. The woman is wearing a blue patterned top and dark pants, and is holding a white bag. Another man in a grey t-shirt and blue jeans is walking away from them in the background. The scene is set on a paved sidewalk next to a modern building with large windows. The sun is low in the sky, creating a warm, golden glow. The text "智慧科技靠得住 潔淨城市人人德" is overlaid in the center of the image.
