

A wide shot of a living room. A man and a woman stand in the center, looking up at a large, irregular water stain on the ceiling. The room is dimly lit, with light coming from a large window in the background showing a city skyline. The walls are off-white and show signs of wear. To the left is a wooden cabinet with various items on it. To the right is a sofa and a large cardboard box. The overall tone is desaturated and cool.
