

Scene 1

Action: Simon Wong, semi-documentary style framing, looking with quiet intensity.

Subtitle: In the AI era, workplace rules have been rewritten.

Scene 2

Action: Rapid cut. Young designer reacting to a demanding message in an open office setting.

Subtitle: Higher education is no longer enough.

Scene 3

Action: Live CV dynamic motion graphic enters from frame left. The progress bar freezes at 90% completion.

Audio: (Ambient office sound / subtle digital swoosh)

Master's Degree

Overseas Exchange

Industry Awards

AI Tools

Scene 4

Action: Macro shot of CV interface. High-tier traditional credentials cycle through, but the AI Tools field remains stubbornly blank.

Subtitle: Your CV still has something missing.

Scene 5

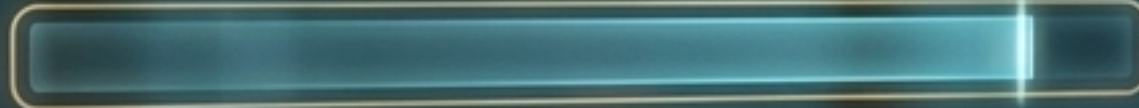

Action: Female accountant working late. Software intelligently prompts her with AI suggestions, highlighting her manual workload.

Audio: (Hum of office AC and keyboard clacking)

Live CV

Skills Completion:

90%

Competitor's Live CV

Skills

100%

Scene 6

Action: Direct side-by-side visual comparison between a stagnant 90% profile and a competitor's fully optimized 100% profile.

Subtitle: Why are they already one step ahead?

A man in a dark suit and tie stands in a modern office with large windows overlooking a city and water. The text 'Education ceiling lifted from 2025' is overlaid on the right side of the image.

Education ceiling lifted from 2025

Scene 7

Action: Cut back to Simon Wong. On-screen typography integrates with the environment to announce the new ERB policy shift.

Subtitle: The government has lifted the education ceiling; the workplace now only looks at practical skills.

Scene 8

Action: Freelancer in a bright studio leveraging AI tools. An ERB certificate sits visibly as the foundation of their new capability.

Audio: (Ambient sound / light, optimistic background atmosphere)

Scene 9

Action: Kinetic motion graphic. A glowing +1 enters from frame right and strikes the incomplete skills bar.

Audio: (Ambient sound / satisfying digital impact chime)

Scene 10

Action: UI animation completes. The new skill populates in gold, and the completion metric jumps instantly to 100%.

Subtitle: ERB gives you the most practical +1.

Scene 11

Action: High-stakes interview scenario. The interviewer poses a direct technical question to the young professional.

Subtitle: Interviewer asks: Do you know how to use AI for case studies?

Scene 12

Action: Augmented reality overlay. The Live CV appears in the physical space, proudly displaying the new, highly relevant AI skill.

Subtitle: One skill, instantly transforming competitiveness.

Scene 13

Action: Simon Wong close-up, breaking the fourth wall with warm, resolute eye contact.

Subtitle: University students, working professionals, everyone needs this step.

Scene 14

Action: Rapid montage of diverse industry professionals engaging with practical AI training in an ERB facility.

Audio: (Ambient sound / active classroom collaboration)

Scene 15

Action: Grand finale UI sequence. Multiple CVs achieve 100% completion simultaneously, cementing the +1 campaign motif.

Subtitle: Your CV is just missing this one item.
