

ACTION: Fade in on dark, blurry water stain textures expanding subtly.

AUDIO: (SFX: Echoing water droplet)

ACTION: POV shot, handheld camera shake. Cold lighting.  
SUBTITLE: Homeowner (muttering): "Leaking again?"

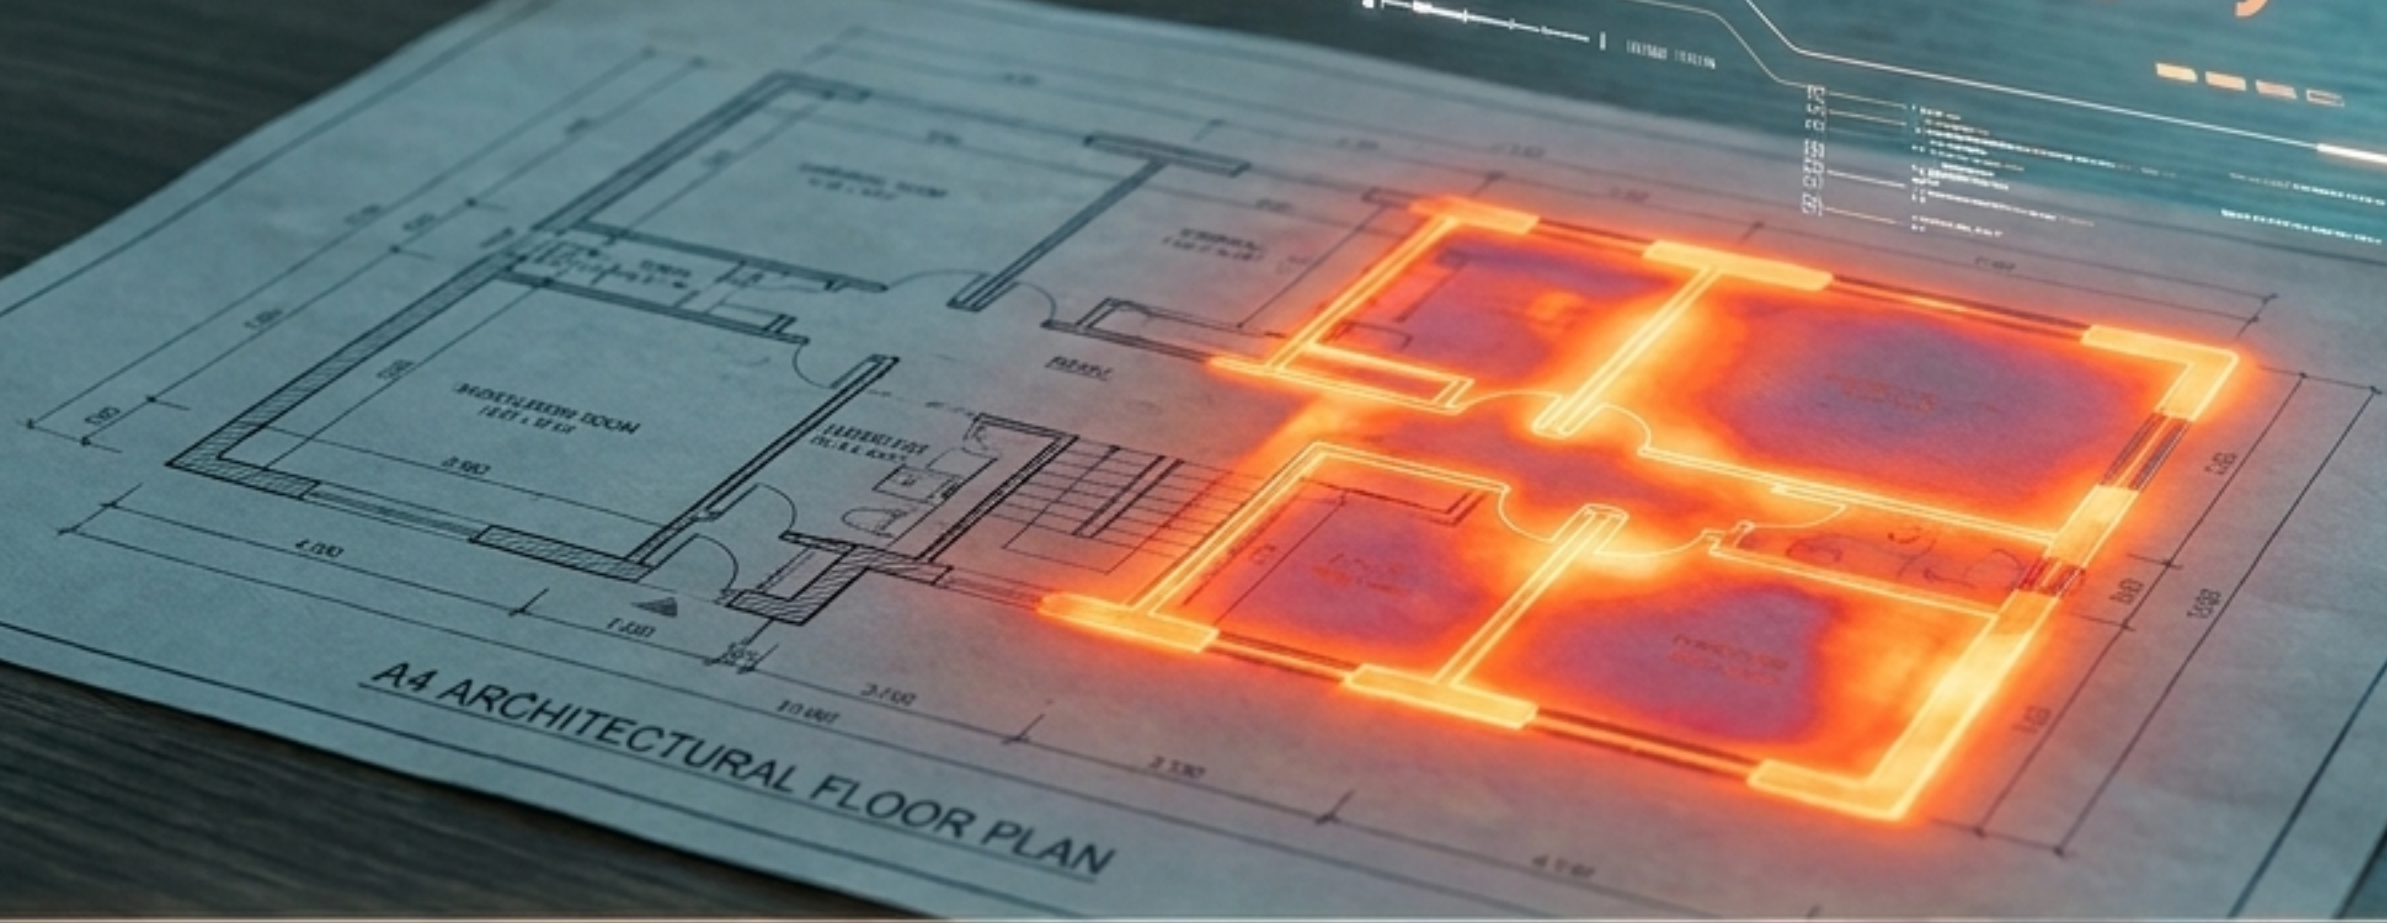

An infrared thermography image of a wall. The image is split diagonally from the top-left to the bottom-right. The upper-left portion is dark blue and black, representing cold temperatures. The lower-right portion is bright orange and red, representing warm temperatures. A distinct, irregularly shaped area of high heat (bright orange/red) is visible on the right side, overlapping the warm half. A small, circular, yellowish feature is also visible on the right side.

**ACTION:** Lighting wipe. Cold/Warm contrast cuts through the ambiguity.  
**SUBTITLE:** Voiceover (Professional & Confident): “Infrared Thermography by the Joint Office.”
